GRANT CHRISTY.

The city council has decided to withdraw the sewer proposal for the time being. This action is probably all for the best but sooner or later the question of sewerage disposal will come up for permanent settlement. When the time is at hand and all see the urgent need of a proper sewer for this city it will be installed.

Marshal Grant Christy has filed for the nomination of Sheriff on the Democratic ticket. His many friends will be pleased because he has decided to enter the race for this office. In his present capacity he has always conducted himself in a creditable manner, prompt and fearless in the performance of his duties. He is well qualified for the duties of the sheriff's office.

The State Savings Bank at Superior is the first one to fail since the guarantee law went into effect. In all probability this bank would have been on a sound footing had it not been connected with the National bank which closed its doors some time since. However one thing is certain and that is that every depositor will receive every penny that he has on deposit. So much for the guarantee law.

We have had one year of president Wilson. It has been a year in which much has been done and the entire country has come to admire the man in the White House. There is no question about his leadership and he has made good all along the line. Two important planks of the Democratic platform have been enacted into law. He has skillfully avoided entanglements with Mexico and he has gained the confidence of the people of the United States and those in Europe.

Cashier Felt of the defunct Superior National bank has surrendered himself to the government authorities in San Francisco. In a letter to Father Fitzgerald he states that he did not profit by the irregularities connected with the bank and he has many friends here who believe that he is stating the truth. It is not a pleasant thing to be a fugitive from justice whether a man has the money or whether he has not and Mr. Felt could no longer stand the strain and wisely decided to return and face the music.

People that believe in home trade sell the Red Cloud Cigars as they are the best 5 cent cigar in the world. In other towns they get 10 cents for this cigar.

CHICKEN LICE

All old chickens have lice unless regular preventive measures are used. With one application of Lee's Lice Killer I have often taken 500 or more lice by actual count from a hen whose owners thought the lice had no lice. Chickens cannot do well if infested with vermin of any kind, and the easiest and best way to get rid of them is by the use of Lee's Lice Killer, a liquid. Applied under the feathers, on the roosts, etc. never directly to their bodies. No dusting, dipping or greasing. See and get it at once. Sold by leading dealers. Send for latest poultry book and new pamphlets.
