The largest crowd of the new year was on our streets Saturday and after a long season of bad roads it did seem good to once again greet our farmer friends.

A. R. Talbot the high-salaried head of the M. W. A., declares that he will be re-elected at the meeting of the head camp in April. It sounds a good deal like the pre-election claims of the stand-pat republicans in the last presidential campaign. It is the sentiment of the rank and file of the order that Talbot must go—and he will undoubtedly find himself down and out when the votes are counted.—Times-Tribune.

The many friends of Mr. Fred Bright are pleased that he has filed for the nomination for the office of county commissioner of District No. 1. Mr. Bright has lived in Webster county for a good many years and is thoroughly conversant with the needs of this county. He is known as a man of unquestioned honesty and fairness and should be entrusted with the duties of this office he would fill it with honor to himself and the county.

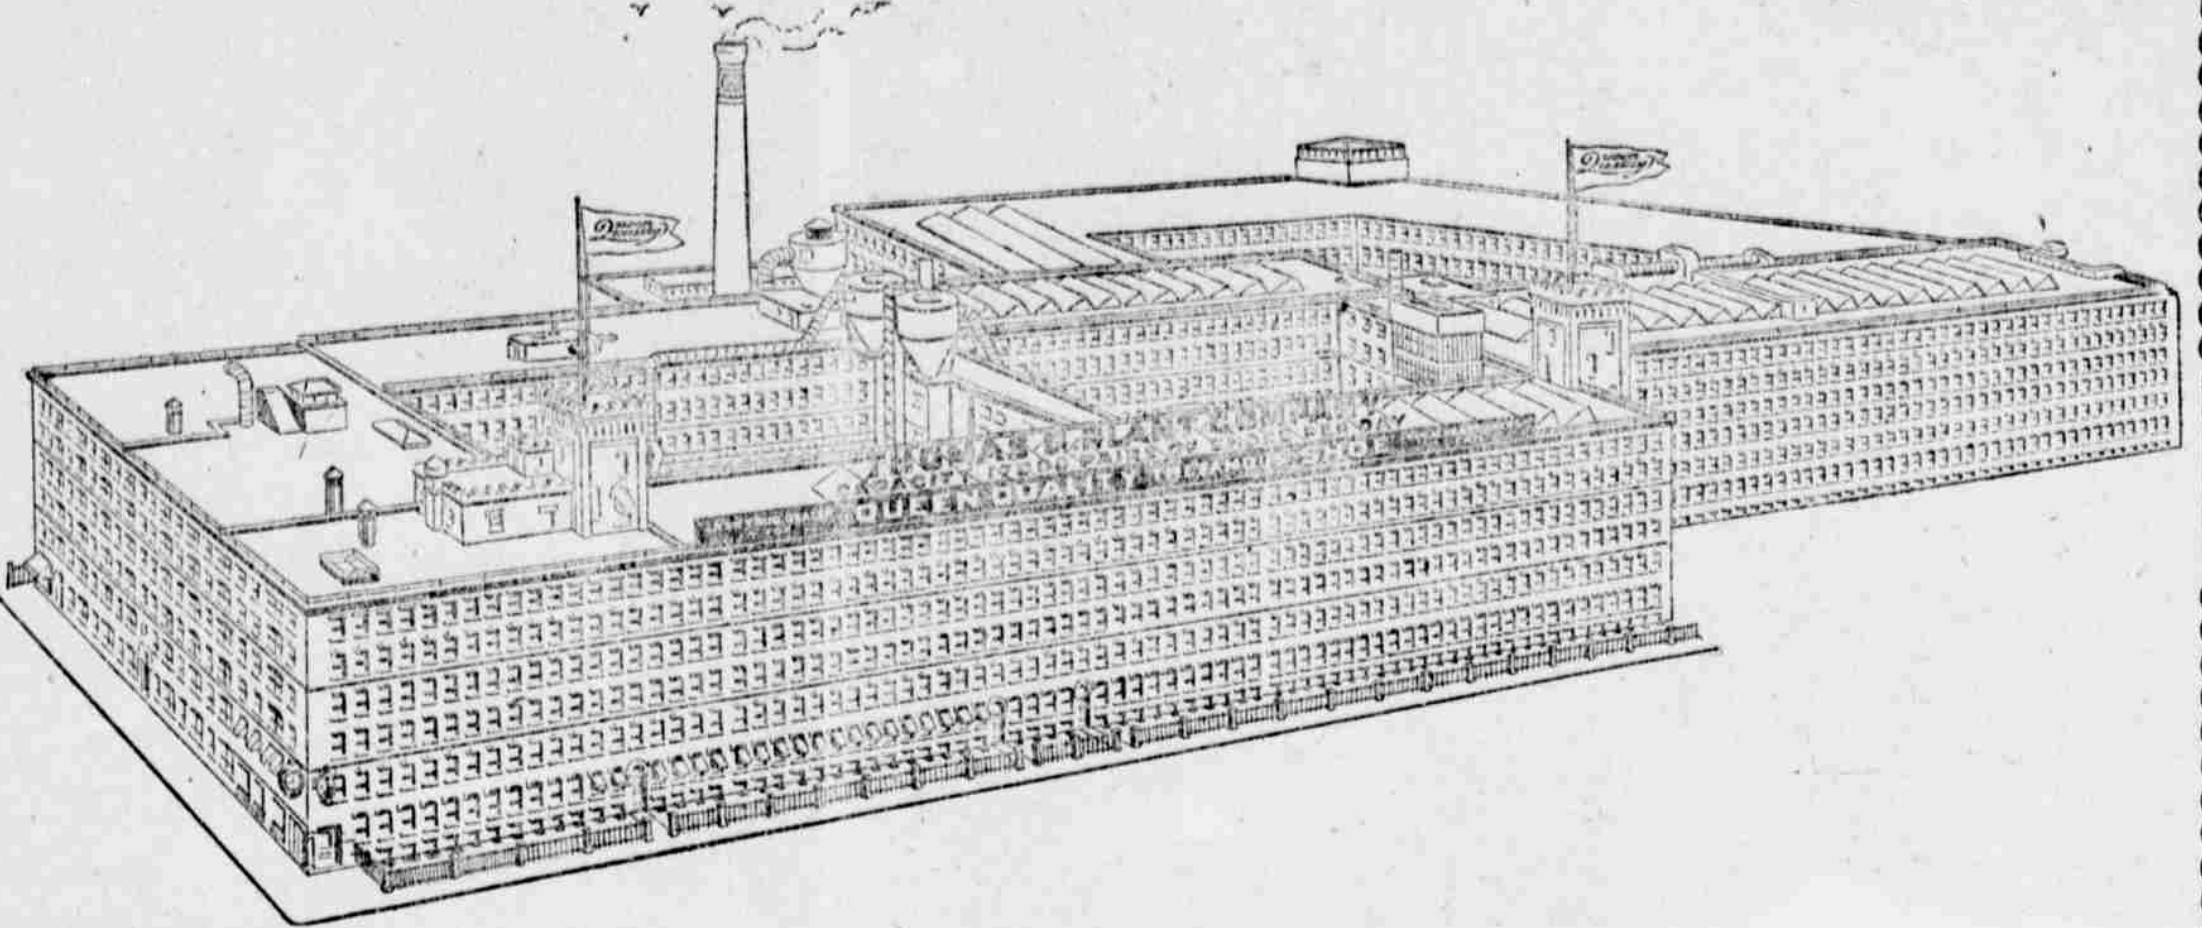

It is conceded by all that the anti-pass law is a good one. If it is a good law so far as the railroads are concerned it is pretty good for all other enterprises. We believe that the newspaper over the state that have refused to accept passes to the state fair are right in their action. Usually the weekly papers are asked to carry column after column boosting the state fair for which they are supposed to be amply repaid by a little paste board admitting them to the grounds during fair week. For this privilege of using a free pass nothing is said about giving a good report of the fair but when one accepts a favor he does not feel like growling if things do not go to suit him there some his account is more or less garbled. Newspapers need the pay for their reports in the shape of money and not favors.

**Degree of Honor
Surprise Workmen**

On Tuesday evening, March 17th, just as the "chosen few" A. O. U. W. members opened lodge they were greatly surprised to find that the Degree of Honor members had in some mysterious way learned the secrets of their order and had worked their way into the lodge room. About forty ladies marched through the hall to the kitchen each carrying from one to three queer looking packages. The Workmen grew excited and at the first odor of coffee they dismissed lodge. The Degree of Honor ladies had prepared a very delightful program consisting of songs by the Degree of Honor chorus, addresses, instrumental solos, drill team work and a short play, entitled, "Female Workmen" which was very appropriate as it explained how the ladies gained admittance to the workman lodge. At the close of the program they all marched to the dining room where a bountiful supper awaited them.

A fine time is reported by all who were present and those members of both lodges who were absent never will know just how much they missed by not attending their lodge meetings.

**This New Medicine
Saves You Money**

We are druggists right here in your town and make a living out of the drug business, but it is because people have to have drugs and not because we like to see people suffer—we don't. Our duty is to render the best service we can, and when some one is ailing, we are interested in seeing them take the best medicine there is for their particular trouble. We don't recommend "cure-alls" as we don't believe they are such things. We don't want you to spend more than you have to. Some of you get small wages, and when you're sick, none at all, and you should get

the most you can for your money.

We recently came across a new remedy for increasing strength and building up people who are run down and emaciated. We know that a slight trouble sometimes grows into a serious one, and to stop it in the beginning, will save you money in the end. This new compound is called Rexall Olive Oil Emulsion. It is the best remedy, when you are run down, tired out, nervous—no matter what the cause. It doesn't merely stimulate you and make you feel good for a few hours, but takes hold of the weakness and builds you up to a healthy, normal condition. It is a real nerve food tonic and builder of good blood, strong muscle, good digestion. It contains Hypophosphites, which tone the nerves and pure Olive Oil, which nourishes the nerves, the blood and the entire system. Pleasant to take. Contains no alcohol or habit forming drugs. We promise that if you are not perfectly satisfied with it, we'll give back your money as soon as you tell us. Sold only at the 7,000 Rexall Stores, and in this town only by us. \$1.00. H. E.
