SUCCESSFUL farmers are no longer asking, "Shall I buy an engine?" They have passed that point and now inquire, "Which engine shall I buy?" A little careful observation will show that International Harvester engines are the most satisfactory. No doubt is left when features like the following are studied: Detachable valve guides, offset cylinder head, fuel pump, split-hub fly-wheels, extra large intake and exhaust valves, etc. Ask the men who have used IHC engines. That is the best test. They will explain the excellence of IHC construction, simplicity, strength and durability. Study the engines yourself at the nearest dealer's where International Harvester engines are sold. They are made in all styles, and range in size from 1 to 50-H. P. They operate on low and high grade fuels. Write for our interesting and instructive catalogues, and when we send them we will tell you where the engines may be seen. A postal will do.

GARFIELD

W. P. Smith made a business trip to Inavale Tuesday.
T. W. White was hauling hay to Red Cloud on Monday.
Pete Manley was a pleasant caller at Will Fisher's Sunday.
Smith Bros. was hauling corn on Friday and Saturday.
Pete Manley and Henry Wiggins, of the Kaley ranch, are busy breaking mules to drive.
Marcel and Ethel Fisher spent Saturday and Sunday with their grandpa.

LOGAN, KAS.

J. C. Williams is visiting relatives

southwest of Lebanon for a few days. Jerry Dams and family entertained Jack Leadabrandt and wife on last Sunday.

Billy Reihan bought a team of mules and all the hogs at the Charley Fruit sale.

E. J. Pulsipher of Red Cloud was out here for a few days visiting relatives in North Pawnee.

Jay Leadabrandt hauled a few loads of alfalfa hay from the John Brown place last week.

Melvin McCall purchased 60 head of cattle at the Charley Fruit sale which cost him \$10 a piece.

Everett Myers lost a valuable horse in the stalls with the disease known as the "blind staggers".

Mr. and Mrs. Barber and family were the guests of Mr. and Mrs. E. Wolfe and family on last Sunday.

Fatty McGuire and Jim Gouldie bought all the broad sows and stock hogs at the Jack Leadabrandt sale on last Friday.

The public sale of Charles Fruit's on the 17th was well attended and everything sold at good prices. Some horses sold at \$170 a piece, mules brought \$100, cows \$60 to \$65, young cattle averaged \$30 and hogs 10c a pound.

A most welcome guest arrived at the home of Mr. and Mrs. Stephen Gouldie near the line a short time ago when a 10 pound baby boy arrived which cast a luminous smile over Stephen's countenance. Steve intends to build an addition to his residence as space seems to be limited.

Mrs. E. E. Spurrer returned home Monday from the Lebanon hospital where she has been taking treatment for rheumatism for the past two weeks. She had the most severe form of rheumatism following her serious illness with pneumonia and was scarcely able to walk when she entered the hospital, but now feels entirely free from the disease.

The general public sale of Jack Leadabrandt's which came off on last Friday, favored with a good day and a large attendance, was a great success and almost everything fetching fancy prices, except horses which seemed to be a little on the downward tendency. The Doyle Bros. cried the sale bringing their vocal chords into operation as usual and left nothing undone in extracting good prices.

Scientific men and some noted close observers in Smith County, Kansas, claim and lay down as a strong hypothesis and a fundamental truth that when the wind blows from the north on the 21st of March, at the equinoxial period, there is sure to be cool, mild and salubrious weather during the spring and summer completely devoid of any scorching hot winds from the south as the wind is said to remain or continue in the north most of the time. The sun in crossing the equator coming into our hemisphere faced this cold north wind but I guess he was able to stand it.

Panama Exposition

Nebraska's resources and opportunities will be exploited at the Panama-Pacific exposition. At a conference held in the office of Governor Morehead, Saturday March 21 it was decided to name a temporary commission to determine ways and means to finance the undertaking through popular subscription. The administration of the exhibit will be in the hands of a commission selected by the people. Governor Morehead appointed a temporary commission which has been called to the meeting at the office of the governor Wednesday, March 25. The temporary commission will devise ways and means of enlisting the aid of business men and commercial organizations. The governor selected the following for members of the temporary commission, one being named from each congressional district of the state: 1st District Mrs. F. M. Hall, Lincoln 2nd District John L. McCague, Omaha 3rd District Geo. F. Wolf, Fremont 4th District Peter Jansen, Beatrice 5th District A. Conners, Grand Island 6th District W. R. Mellor, Loup City

The Table that Saves Steps

Why trudge to the attic or the basement for extra leaves when you can have them right inside the table—and at no extra cost?

The Robbins is the only table that has this simple and convenient feature. It is one of the advantages of buying the Robbins kind—and it is one you will appreciate more and more as you use it.

Robbins Tables are built by men who have studied table construction for forty years—men who know how to build tables that are convenient, good to look at and durable.

Come in and let us show you why the Robbins is a good table to buy.
