Geo. E. Hall of Franklin, president of the Franklin Exchange Bank, has filed as a democratic candidate for the office of state treasurer. Mr. Hall will make a very strong candidate and should come out in the lead at the November election.—Aima Journal.

Mr. J. A. McArthur has yielded to the pleas of his many friends and has filed for the nomination for the office of County Commissioner of district number four on the democratic ticket. He is an old settler and well acquainted with the real needs of Webster county.

Mr. J. L. Grimes of Blue Hill is about to file for the nomination for the office of county treasurer on the Progressive and Republican tickets. Mr. Grimes is an old resident of this county and is well and favorably known. He is well qualified for this position and his friends are pleased that he has determined to make the race.

The man who keeps the weeds from growing in his garden, that keeps the grass mown on his lawn, and who keeps his premise generally in good condition, may find the work exacting at times, but he gets lots of satisfaction out of it. He knows that it is good for his health, for his self respect and the appearance of his home town.—Blue Hill Leader.

An exchange remarks that a man can start out any day, and inside of an hour and thirty minutes he can engage a woman to work for him for life at nothing a week, while it will take two weeks of solid search to get one to work at fair wages and board.

Miss Gertrude Coon has filed for the nomination of County Superintendent subject to the will of the voters of the Democratic party. Miss Coon is seeking re-election and she naturally feels that her efficient handling of this office during the past two years will deserve favorable consideration at the hands of the people. She has made a good official and is well liked by all the school authorities.

The state banks of Nebraska are being called upon to put up something like \$54,000 with which to meet the losses of depositors in the Superior state bank. There are over 700 of them, and it will cost them an average of about \$75 each out of the funds they have set aside for the guarantee fund. It is the first time the banks have ever been called upon to put up for a failure, and it is doubtless appreciated a great deal more by the depositors than by the bankers.—Omaha Examiner.

Reputation.

After a man has made a reputation it is the trying to decorate it that generally gets him into trouble.—Puck.

THE ALARM is a dreadful thing for the man without insurance. Every time he sees the engines racing along his heart comes up in his throat if the fire is anywhere near his place. What folly, what mistaken economy.

THE COST OF INSURANCE is so small that it need hardly be considered. The freedom from worry alone is worth it many times over. Have us insure you to-day.
