Dynamite Men Out on Bond, to Be Returned to Leavenworth Prison -Much Mortality in Canal Zone.

Western Newspaper Union News Service Denver, Colo.—An ultimatum hinting that United States troops might be withdrawn from the Colorado strike zone unless the Colorado legislature ended its "inaction," has been served on the state of Colorado by President Wilson. In spite of it, the legislature adjourned sine die Saturday evening without undertaking further legisla-tion, but not until a flerce debate had been provoked in the senate during which Governor Ammons was denounced by several progressive democrats. The governor, after receiving the president's message and replying to it, refused to present either communication to the assembly. As a result of this situation it is predicted by many that 2state militiamen will be put back into the coal strike districts within a few weeks and that the

Many Mexicans Anxious for the United States to Take Control-Shortage of Arms a Problem.

Western Newspaper Union News Service, Washington.-Peace delegates of the Huerta government who departed from Washington Sunday for Niagara Falls, Canada, to attend the mediationconference, are confident of the success, which, it was learned, is the broad question of pacifying all of Mexico. The three Mexican envoys have little idea how long the arrangement of a settlement will keep them at Niagara Falls, but they are confident that their trip will not have been in vain. The Mexican delegates are said to realize that the present administration in Mexico City is fast crumbling and that the choice of some one tosucceed Huerta is inevitable.
