#### Manner and Customs.

The manners of some people encountered in taking walks abroad are suggestive of the report made by the old British sea captain who was sent out to investigate the manners and customs of the inhabitants of a newly-discovered Pacific island. His report was brief, as follows: "Manners they have none, and their customs are beastly."

### Land To Sell, Land To Rent, Land To Homestead

Go West through the country along the Burlington and see crops and crop prospects that astonish the world. No doubt, the West is again at the commencement of a cycle of wonderful crop years, such as have already multiplied the value of Western lands.

Cheap and desirable lands for sure Dairy Farming in Western Nebraska and Northeastern Colorado—attractive terms and assistance.

Secure a Government irrigated homestead in the Big Horn Basin on the North Platte Valley. Legislation is pending which will allow twenty years for payment. Mondell Homesteads, 320 acres, for a desirable stock and dairy farm, for only the filing fee of \$22.00 Title after three years' residence.

Tell me the kind of land you are looking for. Don't let this year go by without seeing the crops, the stock, the homes, the prosperity and farming results on Western lands that only a few years ago were similar to the lands that you can secure today.
