WM. L. WEESNER.

Mr. Lee Detour of Guide Rock has filed on the Democratic ticket for the nomination of county commissioner. Mr. Detour served one term in the county clerk's office creditably and he certainly is well acquainted with the needs of this county. He is a hall fellow well met and a good mixer.

A careful perusal of the Chautauqua program will convince anyone that this year's talent is the best ever given in this city. Each and every day will be a rare treat and we are all looking forward to an exceptionally good feast of entertainment and instruction.

Brother Shields of the Orleans Isser has shied his hat in the ring and aspires to be our next Secretary of State. And why not? If there is anyone who is acquainted with the affairs of this state it is the editor and as an editor Brother Shields has proven himself to be one of exceptional ability. He can put any town on the map within twenty-four hours after his arrival and as Secretary of State he would fill the bill to a T.

The entire state regardless of party affiliation gives Governor Moorehead credit for the able and efficient manner in which he has conducted the affairs in the Governor's office. His administration has been free from all playing to the galleries and has been full of good common sense and ability to see things as they are. His record deserves recognition by returning him to the office for another term.

We wish to call particular attention to the proclamation of Mayor Damgren. Streets and alleys, yards and lawns should be kept clean all the year around but when we are expecting distinguished visitors and a great many who are not so distinguished but who appreciate a well kept city we should make an extra effort so that we may present a spic and span appearance. Let everyone get busy and for once at least let every spot in the city be clean.

The Democratic county convention held in Blue Hill last week was most harmonious and the utmost good-feeling prevailed. There was a very noticeable "get-together" atmosphere about all the deliberations and as a result the party will present a solid front to all opponents this coming election. With a united party standing squarely for the principles of democracy we ought to be able to sweep the county from end to end. Surely the prospects never were brighter and we look for a glorious victory.

Notice

Owing to the press of business matters I have decided to withdraw from the race for Representative from the 46th District. I also take this method of thanking my friends for their encouragement and aid.
