It would give this office considerable pleasure if every farmer would call us up as soon as he has thrashed and let us know how much his wheat or oats yielded to the acre and the number of acres he had in crop. With the best crop in ten years we ought to make as much out of it as we possibly can. What would give us still more pleasure would be to have each farmer call at the office and tell us personally about his crop.

No Gamble

You can get a dollar's worth of merchandise in our store for one dollar. We don't force you to take a chance on a house and lot, nor an automobile, neither do you get trading stamps and when you get three million of them you may get something. Neither do we give you tickets good for trashy crockery. In fact, there is no chance when you trade with us. You are sure of what you get.

Russel Amack returned home from Blue Hill Wednesday evening.
The Masonic lodge will lay the corner stone next Thursday afternoon for the new court house.
Today the business men are out on their chautauqua Booster Trip. There are over twenty automobiles loaded down with advertising and enthusiastic promoters and we predict the greatest whirlwind campaign ever pulled off in this county. While primarily this trip is for the purpose of advertising the summer chautauqua it will be used to increase the good fellowship existing between the towns of the county. We like to visit and see what our neighbors are doing and we are willing to co-operate with them in whatever undertakings they have planned.

See America This Summer!

Pikes Peak, Estes Park, Royal Gorge, The Black Hills, Big Horn Mountains, Yellowstone Park, Glacier National Park, Puget Sound Country, California

These are Western scenic and vacation regions, for any of which Europe would pay a fabulous sum to possess. They are ours and are easily accessible at low rates; luxurious train service and may be enjoyed at small expense. You will be surprised to learn the moderate cost of a two weeks' stay in Colorado, for Estes Park, or at Hot Springs in the Black Hills, or at a hospitable ranch in the Big Horn mountains, near Sheridan, or in the Absarokas beyond Cody; or would you prefer a tour and keep "on the move,"—through Yellowstone or Glacier National Parks, or of the Pacific Coast through Scenic Colorado?

You can travel in America at the lowest railroad rates and in the most comfortable trains in the world. Ask me for literature descriptive of any tour you have in mind.
