## Your Watch Ideal

Many people have learned to consider such, and such a watch as an ideal time piece.

When they buy they want that particular watch.

We don't blame them because we have watch ideals too—and ideal watches.

They are the South Bend and the Hamilton and the Howard and one or two others. These we have learned to depend upon—these we buy and sell each year in greater quantities. And before you make a watch purchase we would like to talk to you about these movements. May we?

### Counties Interested

Activity in the county exhibit section of the Nebraska state fair indicates that there will be a decided increase in the number of county exhibits in the new Agricultural-Horticultural hall, Sept. 7-11. Counties in the west and northwest sections of the state are making commendable efforts to boost their communities by extensive agricultural displays.

### To the Voters of Webster County:

As candidate for sheriff on the Progressive ticket, I shall make the race on the following issue:

Believing as I do that the laxity of enforcement of our liquor laws, more than any other one thing, should receive an officer's attention, I shall, if elected, do everything in my power to eliminate the "booze" influence from our local politics, and to enforce the liquor laws in general.

Realizing as I do that the difficult part of this will be to obtain the evidence, I take the following method of doing this: If elected, I will set aside from my salary \$100 each year that I am in office, to be used in the form of rewards for obtaining evidence, to secure convictions against any violators of the liquor laws. And I hereby agree to pay any person or persons \$25 reward for each conviction (not in excess of four per year) secured through evidence so furnished.

If this proposition seems radical to you, please remember that an officer who tries to secure enforcement of the laws is only doing his sworn duty.

Will say further that, if elected, I will do everything in my power to give everyone a square deal who has business with the sheriff, and will discharge the duties pertaining to my position without partiality or favor.

Respectfully, T. W. WHITE.

### Vavricka Grateful.

I wish to thank the Democratic and People's Independent electors for the votes given me at the primary election and hope to merit your confidence and support at the general election in November. Yours sincerely,

FRANK VAVRICKA.

### Dr. A. E. Boles Takes a Wife

The following taken from the Hastings Tribune tells of the wedding of two of Red Cloud's most prominent young people, and will prove interesting reading to their many friends:

A very pretty and impressive double wedding ceremony was solemnized at 9 a. m. Thursday, August 20th, at the home of Mr. and Mrs. C. W. Way, 1116 West Third street, when their daughter, Miss Elsie F. Way, was united in marriage to Joe M. Davis of this city, and Miss Gold Elsie Arnold of Franklin became the bride of Dr. Arthur E. Boles of Red Cloud. Mrs. Boles is the sister of Mrs. Way.

The home was attractively decorated for the nuptials, green and white predominating. The couples were united between two large white pillars wound with ferns, an oval canopy above being covered with similar greenery. A pretty screened background was arranged, which was a mass of ferns, rosebuds, lilies of the valley and palms. Both couples were unattended. The wedding ceremony was performed by the Rev. F. J. Clark pastor of the Congregational church.

The wedding march was played by Miss Gladys Sutter and Miss Paula Brennan sang "Oh, Promise Me" and "I Love You Truly."

Miss Way wore a traveling suit of beautiful green, trimmed in black velvet, with a smart black velvet traveling hat. Miss Arnold was becomingly gowned in a golden brown traveling suit.

After the wedding and the expression of congratulations by the guests an elaborate breakfast was served, the guests being seated at three tables attractively decorated with white roses and lilies of the valley, interwoven with white satin ribbon. The bridal couples sat at the large table. Those who served were Misses Katherine Kohl, Margaret Falk, Opal Nicholas and Celestine Brennan.

Both couples received a large number of presents. The brides' gifts to Miss Sutter and Miss Brennan were hand-painted china, and to the assistants, silver spoons.

Mrs. Boles is from Franklin, but for the past two years has taught in the Red Cloud high school, where she has made her home for a number of years. Mr. Boles is well established in the practice of medicine at Red Cloud, where both are well known.

Mr. and Mrs. Davis are graduates of the Hastings high school, class of 1913. They are popular among a wide circle of friends, who are pleased to know that they will make their home permanently in this city. Mr. Davis is having built a handsome dwelling at Burlington avenue and Ninth street which will soon be ready for their occupancy.

The couples left Thursday for Denver, where they will pass their honeymoon.

### Dollar Wheat In A Few Days

Local grain men says Monday's Hastings Daily Republican are anticipating a further boost in the price of wheat and expect to see it go to a dollar a bushel before the first of September. It sold for 94 cents on the Omaha exchange yesterday. With the preparations made on a large scale for shipments to Europe it is figured the demand will be for such a large quantity as to cause the price to go up by leaps and bounds.

The big tractors will be given a chance to demonstrate their merits at the Nebraska State Fair, Thursday, Sept. 10. A tract of land has been secured and tractor men will show what their machines will do under the management of experts. Progressive farmers have been making inquiries concerning the tractor demonstration and are planning to watch the proceedings.

### Institute Draws A Large Crowd

The Webster County Teachers' Institute opened in the Washington school building on Monday, August 24th, with a very large attendance, there being 118 enrolled.

We are very glad to see that a large per cent of the teachers over the county are men.

The instructors this year consist of Prof. Boehr of this city, Miss Huldah Peterson of Lincoln and Chancellor Fulmer of Wesleyan University.

Among the special features this year was an informal reception on Monday evening, and on Tuesday evening Prof. Boehr took the teachers to the agricultural farm, where he delivered an especially interesting lecture.

Special music each day furnished by members of the institute is another feature of this year's program. The Victrola musicale will be given Friday at 10 a. m. It will consist of music for children.

Chancellor Fulmer will deliver a special lecture to the teachers on Friday evening at the Methodist church which will no doubt prove both interesting and instructive. The public is cordially invited to attend.

The institute closes on Saturday with the eighth grade graduation exercises and reflects great credit upon Miss Gertrude L. Coon, our county superintendent, and is in itself sufficient proof that she is thoroughly qualified for the position which she has so ably filled the past three years.

The following are enrolled at the institute:

L. M. Rickard, Marion Bloom, Alice Fowler, Berl Sires, Mabelle Smith, Venia Henderson, Iva Rutledge, Myrtle Bonner, Ethel Wisecarver, Lena Ohmsted, Inez Fetty, Agnes Steward, Glenn Foe, Helen Reiner, Eleanor Gilham, Maude Crow, Ira Sides, Walter Portenier, Joe Springer, Howard Yost, Belle McIntyre, Alice Whalen, Lois Ritchey, Mirth Walker, Frances Nolan, Grace Coombs, Muriel Henderson, Jennie Campbell, Lenora Springer, Flora Shute, Monnie Spence, Minnie Trout, Anna Zimmerman, Jessie Moranville, Daisy Portenier, Estella Shute, Goida Hodges, Lillian Portenier, Rose Brehm Beatrice Sloss, Velma McKimney, Elsie Long, Flossie McKimney, Guy Dunbar, Lura Lambert, Eleanor Williamsou, Macy Spracher, Gertrude Oatman, Philena Fawcett, Dena Banks, L.
