In view of the fact that Postmaster Hacker has served this community so pleasantly and so efficiently we believe that we could show him our appreciation by giving him a farewell banquet. Surely he has been an excellent official, treating everyone with great kindness and courtesy, and we respectfully suggest the idea of a banquet or something of that nature to the proper committee of the Chamber of Commerce.

The Webster County Fair held at Bladen last week was a real success. The exhibits were all good but the school exhibit and that of the ladies department was far and away the best ever displayed in Bladen. The agricultural display was fair but not what it ought to have been. There was an abundance of farm products raised this year in the county and these should have been displayed. On the whole everyone so far as we could learn was especially pleased with this year's event.

**As They See It in McCook**  
The Chief editor was this week requested by some of the leading and most influential politicians of the county to make the statement that they had several hundred dollars, or any portion of the same, which they would gladly wager with Editor Matthews of Riverton, or any of his followers, that he will not land the United States Marshal plum. They cordially invite brother Matthews, or any of his friends, to come down and exhibit some of their sporting blood do they possess the same.—Red Cloud Chief.

The only possible point that might be in favor of Matthews and which might lose the Red Cloud money, is the fact that Matthews is not well known.—McCook Gazette.

**Democratic Convention**  
The Democrats of the First and Second Ward of the City of Red Cloud will meet in a Mass Convention at the Chief Office on Friday, October 16, at 7:30 p. m., for the nomination of a City Assessor, City Constable and Justice of Peace.  
Ed Pulsipher and J. A. McArthur, Committeemen.

**Stockholders Meeting**  
The annual meeting of the stockholders of the Farmer's Independent Telephone Company will be held at the court house in Red Cloud, Saturday, October 10, 1914, at 2 o'clock p. m. A full attendance is desired.  
Dated September 29, 1914.  
O. C. TEEL, Secretary.

**Commissioners' Proceedings**

Red Cloud, Neb., Oct. 6, 1914.  
County board of commissioners met pursuant to adjournment.

Members present, viz: Paul Strey, G. Ohmstede, Floyd McCall and T. J. Chaplin, chairman of said board.

The matter of the application to have valuation reduced. No action taken for the reason that the board has no authority to act on such questions except when in session as a board of equalization.

In the matter of the petition asking that the question "For Township Organization" and "Against Township Organization" be submitted at the general election to be held in Webster county, November 3, 1914. Coming on for hearing. Wm Wegman appeared and upon oath testified as to the signatures on said petition being legal voters.

Upon examining said petition, we find same to be signed by more than 250 who appear to be qualified electors of Webster county.

It is therefore ordered that said questions be submitted to the voters of Webster county at the election to be held in Webster county, Nebraska, November 3, 1914.

S. R. FLORANCE, City Treasurer	

If you seek to endorse the work of the administration, don't be niggardly about it. A vote for a Democratic Governor is good, but a vote for the Democratic ticket is the kind of an endorsement that President Wilson will not entertain any doubt about.

**A Main Line Thro' Central Wyoming**  
On October 18th the Burlington will inaugurate through passenger train service between Denver and Billings over the new main line through the Big Horn Basin—through Cheyenne, Orin Junction, Casper and Thermopolis. The establishment of through train service over this new main line of railroad is historic. It closes one of the last great breaks in the transportation system of the country, and offers for the first time to the social, commercial and agricultural activities of Wyoming and of the Middle West, direct means for intercourse and the exchange of commodities between Northern and Southern Wyoming—between the rich farming, live stock, coal and oil regions of the Big Horn Basin, in the North, and Cheyenne, the State Capital, and Denver, the Metropolis of the Rockies on the South. The opening of this new line should prove a great stimulus to every farmer, stockraiser, and business man in Central and Northern Wyoming.  
NORTHBOUND, the new train will leave Denver at 4:00 P. M. and arrive at Billings, 6:20 the next afternoon; SOUTHBOUND, leave Billings 7:30 A. M. and arrive Denver, 12:05 the next noon. It will carry a cafe-parlor car in each direction for the daylight trip between Billings and Casper, and standard sleepers for the night trip between Casper and Denver.  
Let me send you booklets descriptive of this new country, or answer your specific inquiries about opportunities for the farmer and business man.
