Strong "Pull" and Drawing Power in All of Our Printing

We Make a Specialty of Printing Neat and Attractive Sale Bills

OT ALL advertising matter is N consigned to the waste basket. Some of it finds a place in the files of the receipient or on his desk or his table. The printing upon which one can depend to win this distinction is of the out-of-the-ordinary class, the well-designed and well-executed example of the printing art. Every business man desires that his printing should have what is known as "pulling" power; that is, it should accomplish its intended mission, namely, to set forth the value of goods and secure orders for those goods. The printing we do is of the kind that win the coveted place at the elbow of the prospective customer. Try us.

A New Ford Story

Here is a new Ford story we saw somewhere, but have flagotten just where. A man in California writes to the Ford company and tests them they should feel very much exulted for the ressent that the Ford is the only car mentioned in the Bible and to prove itites them to pas-age in Isaah which says: "He went up into Heaven on high" and asks what other ear but a Ford could do that? -Ex.

Ring Around

Mary had a little ring, 'twas given her by Jue.

And everywhere that Mary went that ring wes sure to go.

he took the ring with her one day when she went out to bee

Where she might show it to the girls who numbered twenty-three

And when the gir's all saw the ring they made a great ado. And all exclaimed in chorns: "Has it

51 GOVERNMENT IRRIGATED FARMS Will You Be One Of The Fortunate Owners?

The Government has just finished a survey and scientific soil examination of the remaining irrigated lands in the Government Project at Powell, Wyo., Big Horn Basin. Of the small remaining area under that unit already irrigated the agricultural and irrigation experts report 51 farms ranging from 40 to 120 acres each, now available for homesteading very choice and desirable as to quality of soil, reliable water supply and successful drainage, in fact the Officials pronounce these fifty farms of the highest grade and equal to any so far settled in that Project. Twenty years with no interest to complete your water right payments. Land ready to prepare for seeding, no clearing, and your crop the first year. 430 prosperous farmers will be your neighbors and around you are excellent grain crops, a tremenodus tonnage of alfalfa, schools, churches, fraternities, with Uncle Sam and his farm expects near you.

No commissions to anybody and I, acting for the Burlington Road, offer my services free to locate you; note the map of the Burlington's new mainline h rough Central Wyoming and guess for yourself the coming increase in the population and land values in the Big Horn Basin, traversed by this line, Write me today for folder and map.
