**NOTICE.**  
The Farmers State Bank of Silver Creek, Nebraska.

Plaintiff.  
vs  
Nathan D. Illingsworth, Defendant.  
Nathan D. Illingsworth, defendant will take notice that on the 29th day of December 1914 plaintiff herein filed his petition in the County Court of Webster County, Nebraska. The object and prayer of which are to recover from defendant the sum of \$290.50 due plaintiff from defendant because of his endorsement and sale of 7 promissory notes to plaintiff, said notes having been fraudulently altered by defendant after their execution and delivery to defendant and before their negotiation to plaintiff by detaching from each of said notes so executed and delivered to said defendant a written contract which was thereto attached at the time of said execution and delivery of said notes to said defendant, and by reason whereof the legal effect of said notes was apparently changed from Non-negotiable instruments to negotiable instruments, and without the knowledge or consent of the maker, or makers thereof, or any of them. That in selling said notes to plaintiff said defendant falsely and fraudulently represented that said notes were negotiable instruments. That in the sale of said notes defendant made certain false and fraudulent representations concerning same to plaintiff which representations were relied upon by plaintiff in the purchase of said notes. That said transaction occurred on or about the 18th day of July 1914. That said notes are worthless and are tendered into court for defendant's use. That on the 29th day of December 1914 plaintiff filed the necessary affidavit and bond and secured the issuance of an attachment, and garnishee notice against the Webster County Bank. That on the 1st day of February said Webster County Bank, garnishee answered and disclosed that it held \$233.36 open account subject to check in favor of said defendant which amount was by the County Court ordered paid into court to abide the order of the court in said proceeding.  
You will take notice that said case is set for hearing in the County Court of Webster County, Nebraska, on the 5th day of April 1915 at ten o'clock in the forenoon and unless you make answer and show cause said amount of \$233.36 will be applied in satisfaction of plaintiff's claim and such other and further action taken in said proceeding as provided by law.

**Resolutions of Sympathy.**

Whereas, Death has entered our lodge and taken from our midst our beloved neighbor, Daisy Lee Nelson; therefore, be it  
Resolved, That the removal of our "neighbor" leaves a vacancy in our lodge which will prove a grievous loss, and that we, the members of Rosebud Camp No. 2058, Royal Neighbors of America, do extend to her son our deepest sympathy therefore be it  
Resolved, That our Charter be draped in mourning for a period of thirty days and a copy of these resolutions be sent to the bereaved son. Also that a copy be spread upon the records of our order, also that a copy be sent to the Royal Neighbor paper.

**OF THE PACIFIC COAST**  
In planning "The Perfect Coast Tour," or the "See America Tour," scenic Colorado is of first importance. No coast tourist could afford to say that he had not included "Scenic Colorado" either one way or the other in this world's greatest rail journey. Go one way via Seattle Portland, and during the season visit either Glacier or Yellowstone National Park. Link together these scenic routes with the Ocean Coast voyage between San Francisco and Portland.  
Through the season, various publications, special folders and the like will be available, descriptive of the Burlington circuit rates and through service routes.
