FIRE

THE ALARM OF FIRE is a dreadful thing for the man without insurance. Every time he sees the engines racing along his heart comes up in his throat if the fire is anywhere near his place. What folly, what mistaken economy.

THE COST OF INSURANCE is so small that it need hardly be considered. The freedom from worry alone is worth it many times over. Have us insure you to-day.

Weather and Crop Conditions in Nebraska For Week Ending April 26

Lincoln, Neb., April 27, 1915.—The week was warm, the temperature averaging 10 degrees above the normal. In most of the state the rainfall was heavy, exceeding two inches in many western counties and exceeding one inch generally, except in the extreme eastern counties where it was less than 1/2 inch fell. While work was retarded some by the rain, in general good progress was made. The oats are mostly sown and early sown are up nicely. Alfalfa, winter wheat, and grass have grown rapidly. In places in the southwestern counties the stand of winter wheat is thin, due to dry weather last fall. Fruit trees are full of blossoms. Plowing for corn is in progress.

The Standard Bred and Registered Trotting Stallion
Allercyone McGregor
RECORD 2:09 3/4

ALLERCYONE MCGREGOR, No. 3880, the subject of this sketch, has a record of 2:09 3/4 on a half mile track in 1910. He is one of the stout-hearted, rugged-made, game race horses, and is from a race horse family on both sides of the house, being sired by Allercyone, he by the great Allerton, 2:09 1/4, his dam being the great blood mare, All McGregor, by Ben McGregor. His second dam is Maude McGregor, dam of Nut McGregor 2:17 3/4, also the dam of Miss Edman, the greatest race mare that ever raced over a half-mile track. Also the dam of many others with standard records. His third dam is the dam of six from 2:11 to 2:21, and with the fourth dam is a producer on his sire's side. Allercyone McGregor comes from the great Allerton family being by Allercyone the best son of the great Allerton, who in his time held the world's stallion record, 2:09 1/4 to high wheel sulky, and was the leading sire of the world; on his dam's side the first three dams were McGregor mares, which family gave us the mighty Crecus, who held the stallion record 2:02 1/4, for several years, and a family that has been individual and a game race horse family in existence. Allercyone McGregor is a fine time but twice. He was bred by E. R. Knell, Carthage, Mo. In a race at Toledo, Ohio, Sept. 11, 1910, he beat as high class a field of 2:12 pacers as ever started over a half-mile track, the first heat being 2:09 1/4, equaling the track record made by Mattie Chimes the year before. He won the heat pulled to a jog in the stretch, and it was said by all the horsemen present that he could have paced the heat in 2:08 or better. His record is no limit to his speed, as he has paced a half-mile track in 1:52 1/4, a quarter in 0:29, and an eight in 0:13 1/4. While Allercyone McGregor is a pacer himself, he is strictly trotting bred, and what few colts he has are all trotters and show lots of speed, and he should be as great a sire as was his grand sire, if given an opportunity.

Will stand for season of 1915, Monday, Tuesday and Wednesday at F. E. Payne's farm; Thursday, Friday and Saturday at Red Cloud Tie Barn.
TERMS:—\$12.50 for the season. \$15 to insure colt to be ten days old.

A MAN IS AS GOOD
AS THE FOOD HE FEEDS ON

The better the food the healthier the man. Every man, if he values himself, insists on pure, good, sweet butter and on really fresh eggs. Our reputation for selling fine butter and eggs is perfectly well established in this community. Our groceries are the best in town for the money.

Imported French Percheron Stallion
DAMIER, No. 40282

DAMIER is well known in this vicinity as a great draft stallion. His colts always show his breeding, and have sold at much higher prices on the market than colts from any horse ever stood in Campbell. Lyman Eastman raised some fine colts from him; one at 3 years weighed 1985 pounds. He sold him for \$400, and the man that bought him sold him for \$600. Joseph Brunke raised 2 that at 3 years weighed 1700 and 1900, and he sold them for \$950. His colts always bring big money on the market. I have a pair I have been offered \$480 for. He is the horse that you want to raise colts from that you can be proud of. Some look at the fine string of colts I have of his.

Will stand for season of 1915 at F. E. Payne's barn, section 34-3-12.

TERMS:—\$12.50 for the season; \$15.00 to insure colt to be ten days old.

Should owner of mare part with same, or remove from county, service fee becomes due at once. Care will be taken to prevent accidents, but will not be responsible should any occur.
