THE COST OF INSURANCE is so small that it need hardly be considered. The freedom from worry alone is worth it many times over. Have us insure you to-day.

The Standard Bred and Registered Trotting Stallion

Allercyone McGregor

RECORD 2:09 3/4

ALLERCYONE MCGREGOR, No. 3680, the subject of this sketch, has a record of 2:09 1/4 on a half mile track in 1910. He is one of the stoutest, rugged-made, game race horses, and is from a race horse family on both sides of the house, being sired by Allercyone, he by the great Allerton; 2:09 1/4, his dam being the great brood mare, All McGregor, by Ben McGregor. His second dam is Maude McGregor, dam of Nut McGregor 2:17 3/4, also the dam of Miss Delmar, the greatest race mare that ever raced over a half-mile track. Also the dam of many others with standard records. His third dam is the dam of six from 2:11 to 2:23, and with the fourth dam is a producer on his sire's side. Allercyone McGregor comes from the great Allerton family being by Allercyone the best son of the great Allerton, who in his time held the world's stallion record, 2:04 1/4 to high wheel sulky, and was the leading sire of the world, on his dam's side; the first three dams were McGregor mares, which family gave us the mighty 'Cruces, who held the stallion record 2:02 1/4, for several years, and a family that has been considered the greatest race horse family in existence. Allercyone McGregor is a fine individual and a game race horse, having started 21 times and being first or second every time but twice. He was bred by E. R. Knell, Carthage, Mo. In a race at Toledo, Ohio, Sept. 14, 1910, he beat as high class a field of 212 pacers as ever started over a half-mile track, the first heat being 2:09 1/4, equaling the track record made by Mattle 'Chimes the year before. He won the heat pulled to a jog in the stretch, and it was said by all the horsemen present that he could have paced the heat in 2:05 or better. His record is no limit to his speed, as he has paced a half-mile on a half-mile track in 1:52 1/4, a quarter in 0:25, and an eighth in 0:11 1/4. While Allercyone McGregor is a pacer himself, he is strictly trotting bred, and what few colts he has are all trotters and show lots of speed, and he should be as great a sire as was his grandsire, if given an opportunity.

Will stand for season of 1915, Monday, Tuesday and Wednesday at F. E. Payne's farm; Thursday, Friday and Saturday at Red Cloud Tie Barn.

TERMS:—\$12.50 for the season. \$15 to insure colt to be ten days old.

Imported French Percheron Stallion

DAMIER, No. 40282

DAMIER is well known in this vicinity as a great draft stallion. His colts always show his breeding, and have sold at much higher prices on the market than colts from any horse ever stood in Campbell. Lyman Eastman raised some fine colts from him: one at 3 years weighed 1885 pounds. He sold him for \$400, and the man that bought him sold him for \$600. Joseph Brunke raised 2 that at 3 years weighed 1700 and 1900, and he sold them for \$350. His colts always bring the big money on the market. I have a pair I have been offered \$450 for. He is the horse that you want to raise colts from that you can be proud of. Come and look at the fine string of colts I have of his.

Will stand for season of 1915 at F. E. Payne's barn, section 34-3-12.

TERMS:—\$12.50 for the season; \$15.00 to insure colt to be ten days old.

Should owner of mare part with same, or remove from county, service fee becomes due at once. Care will be taken to prevent accidents, but will not be responsible should any occur.
