## Have You Ever Been To Yellowstone Park?

You can plan a summer outing in Yellowstone, this region of beautiful canyons, forests and mysterious geysers, that will include a magnificent tour of the whole mountain region—for instance, go one way via Cody, the East and scenic entrance, or via Gardiner, and the other way go through the Yellowstone gateway by way of Salt Lake and scenic Colorado. This is what is called the Rocky Mountain Scenic Tour.

Or, you could go one way via Denver and the Burlington's new line through the Big Horn Basin, tour the Park, and travel the other way via Gardner, Billings and the Burlington's main line through Sheridan. While in Colorado visit Estes Park, Colorado Springs and Manitou. You will be astonished at the very low fare for such a vacation tour.

Write me for literature, descriptive publications, folders; let me help you plan a perfect vacation trip.
