### Business Men Are After The Crowds

The business men of the city have arranged to give free band concerts every Saturday afternoon. This will be for the benefit of our out of town visitors and customers. Arrangements have also been made with Manager Warren for free tickets to the moving picture show during the day on Saturdays. These will continue for at least three months, and if our friends like the Tepee well enough the plan is to keep on indefinitely. The Tepee has gained a reputation for first class picture shows and it will be kept strictly up to standard so these day entertainments will be as good as money can buy.

Come one, come all, and accept the hospitality of the business men of Red Cloud.
