## When Christmas Time Comes

It Is Always a Puzzle to Know What to Give

Come In and Look My Line Over. I Have Useful as Well as Ornamental Gifts.

#### HANDKERCHIEFS

Handkerchiefs are always a useful as well as a much appreciated gift. Have a nice line in fancy colored borders, with small colored medallion in corner, at 5c to 25c, in plain white and embroidered, from 2c to the more elaborate embroidery at 75c.

#### SILKS

A silk waist or dress is a very acceptable gift for the daughter or mother. Cannot describe the silk in this small space. Come in and let us show you the line.

#### BLANKETS

A pair of good warm blankets is a most useful gift. Have them in cotton, from 75c to \$2.00. In wool from \$2 to \$6.

#### HOSE

A box of Holeproof Hose or Sox is always nice, especially when you get a 3 or 6 months guarantee, so you do not have to wear holes or darns. Six pair of the cotton ones are guaranteed for 6 months at \$2 or \$3 the box. Three pair of the silk ones are guaranteed for 3 months, \$3 the box.

#### DOLLS

For the younger folks I have dolls in a large variety, in the character dolls that are so life like.

#### DRESS GOODS

Some ladies do not care for silk and for those I have a well selected line of wool goods, suitable for suits or dresses, in the dainty evening shades, as well as the most sombre shades for day wear.

Don't You Know Some One That Would Like One or More of the Following For a Present:

### The "O. D. D.'s"

Some rough-neck rubes of the Senior Class  
In order to distinguish themselves you see,  
Ordered and caused, and brot it to pass,  
That they should be known as the "O. D. D.'s"  
Now this daring clan of Virtue and Brass,  
Declaring their power, they sought and seized—  
The wisest and prettiest boy in the class  
And tortured unmercifully, did these "O. D. D.'s"  
And every night when they should be in bed,  
They issue forth and paint big D's  
And the paint they use, green black or red,  
It makes no difference to these "O. D. D.'s"  
And now the cops watch night and day,  
Starting at every noise and breeze,  
For they know too well there'll be damage to pay  
If they once get started, these "O. D. D.'s"  
Now this O. D. D. is a pretty name,  
Hete's hoping it lives on just the same  
Till the members all conquer in the fight,  
And look at things in a different light.  
But the writer's opinion is that they  
When duly plucked and stored away,  
Into that realm, that looked for bones;  
That they'll be known as the Devil's Own.
