FOR COUNTY CLERK

I hereby announce myself a candidate for the office of County Clerk of Webster County, subject to the will of the voters of the Democratic party at the primary election to be held August 18, 1916.

B. F. PERRY.

FOR CLERK OF DISTRICT COURT

I hereby announce myself as a candidate for the nomination, for a second term, as Clerk of the District Court, subject to the will of the Democratic and People's Independent voters at the primary election to be held April 18, 1916.

EDITH L. McKEIGHAN.

FOR COUNTY ATTORNEY.

I hereby announce myself as a candidate for renomination as county attorney of Webster county, subject to the voters of the Democratic and Peoples Independent parties at the primary to be held April 18, 1916.

I will appreciate your support for a second term.

FRANK J. MUNDAY.

Mr. Carl Spence the genial editor of the Franklin News has announced himself a candidate for state senator. Carl is a splendid fellow and has been a staunch Republican, wide awake to the interests of the people and he would make an excellent senator.

Miss Edith McKeighan has decided to ask for a re-election to the office of Clerk of the District Court. She has filed for the nomination subject to the will of the voters of Peoples Independent and Democratic party. Miss McKeighan has demonstrated that a lady can efficiently conduct this office. She has been kind and obliging and her many friends believe that she is entitled to a second term.

The falling of the recent snow reminds us that the city council passed an ordinance not long ago providing for all snow being removed from the sidewalks not later than 10 o'clock in the morning. A penalty is affixed which provides that upon complaint of anyone the city will clean the walk and charge the expense up against the property. So if your neighbor fails to keep his sidewalk clean just notify the city mayor or clerk and the trick is turned.

Mr. B. F. Perry has filed for the nomination of county clerk on the Democratic ticket. Mr. Perry is a first class business man and is well qualified for this position. In addition to this he is exceptionally pleasing in his dealings with men. As a member of the city council he has shown that he is careful and conservative yet at the same time energetic and efficient. He has been a life-long

Democrat and is qualified in every way for this position.

The Chief is pleased to announce the candidacy of Attorney F. J. Munday as a candidate for re-election as county attorney. He has been an efficient officer. He has conducted the business connected with the county attorney's office as one conducts his own business affairs. When a complaint is made Mr. Munday always carefully investigates the facts before making any arrests and thus has saved much expense which unfounded prosecutions make a county. We think that he should be re-elected. When an officer serves his constituents well for one term he should be rewarded with a second term.

The Board of Education sold the school bonds to the United States Trust Co. of Omaha, through their representative, Mr. S. R. Florance, of the Webster County Bank. By waiting for more bids the Board has made about \$1100 for the district. There were many bids for these bonds, which shows what outsiders think of our security. Trust companies do not want questionable bonds and the fact that they were eager to secure this issue of the school district shows that they are gilt edge. Another evidence of progress, as well as a golden opportunity to compliment the United Trust Co. and the Webster County Bank, in possessing the services of such a capable and energetic business man as is S. R. Florance.

Much Adler-i-ka Used In Red Cloud

It is reported by C. L. Cotting that much Adler-i-ka is sold in Red Cloud. People have found out that ONE SPOONFUL of this simple buckthorn bark and glycerine mixture relieves almost ANY CASE of constipation, sour or gassy stomach. It is so powerful that it is used successfully in appendicitis. ONE MINUTE after you take it the gasses rumble and pass out. It is perfectly safe to use and cannot gripe.
