R. W. KOONTZ.

Mr. R. W. Koontz has filed for the nomination for County Commissioner subject to the wishes of the republican and progressive parties. Mr. Koontz served two terms as county treasurer and has many valuable interests in the county. At present he is carrying on extensive farm operations, operates a bus-line to the station, and conducts a livery and tie barn. His friends are pleased that he has decided to make the race for this office.

For the first time in many years corn is being shipped out from this station. Usually corn is shipped in since we do not raise enough to provide for the large number of cattle and hogs fat-

tened annually. This year the corn is plentiful but the feeders are going it light owing to the uncertain condition of the market. Good corn is in demand because much of that crop is soft and poor feed in the states just east of us. Corn or cattle, it is immaterial to us we will feed the world anyway.
