INTERNATIONAL SUNDAY SCHOOL LESSON

(By E. O. SELLERS, Acting Director of Sunday School Course of the Moody Bible Institute, Chicago.)

LESSON FOR APRIL 2 CONVERSION OF PAUL.

LESSON TEXT—Acts 9, 11. (See also Gal. 1:11, 17; 1 Tim. 1:12, 17.) GOLDEN TEXT—Faithful is the saying and worthy of all acceptance, that Christ Jesus came into the world to save sinners; of whom I am chief.—1 Tim. 1:15 R. V.

No other man, save our Lord, has made such an impress upon history as the Jew of Tarsus. Read carefully and repeatedly Acts, chapters 9:22, 23 and 26.

I. Saul the Man. (1) Physically. We know but little of Saul (see Ramsey, Conybeare and others), but we know from his labors that he was a man of tremendous vitality.

II. Saul Saved. (1) This man was first humbled (v. 4). God put forth his hand to save the elect at Damascus, though he let Saul go a long way in his mad career.

III. Saul Sent. The first evidence of the change wrought in Saul was: (1) Obedience (v. 8). His companions heard but did not understand.

IV. Saul Serving (1) At Damascus Saul is given refreshment (he always lays emphasis upon the body) and straightway began to testify to the amazement of the people.

It was a time of rest, reflection, analysis, meditation and formulation of his "gospel" (Rom. 3:19-28).

(2) At Jerusalem. His testimony was distasteful at Damascus (v. 23-25) and so he sought Jerusalem, only there also to find distrust and rejection.

Then Barnabas did a great work for the Kingdom by showing his brotherly fellowship and trust and becoming sponsor for him to the early church.

It was not long ere he had to flee Jerusalem and finally return to his childhood home, Tarsus (v. 31).

Saul the Pharisee becomes a preacher of the Cross, the Master Embroider.

Protest on Attorney General. Attorney General Willis Reed's name will not be placed on the republican primary ballot by Secretary of State Pool, unless he is forced by a writ of mandamus to do so.

The protest was delivered to the secretary of state by R. W. DeVoe of Lincoln, himself a republican candidate for attorney general, and J. Reid Green, of this city, a candidate for delegate to the republican national convention.

Reasons assigned by Chairman McNish against the placing of the attorney general's name on the republican ticket were that the democratic and republican parties are in no way affiliated, and that Reed has made a statement under oath that he affiliates with the democratic party, which disqualifies him from becoming a republican candidate also.

A convict cannot be required to leave Lancaster county and go to another county to testify as a witness, according to Warden Fenton and the attorney general's department. Ernest Dullingham of Cheyenne county, serving time for stealing a horse, was directed by the district court to testify in a suit of the state against a man accused of horse stealing.

Fees from Food Commission. Food Commissioner C. E. Harman cleared up some of his financial accounts with the state by paying \$14,722 to the clerk of the supreme court, as oil inspection fees collected during February under the court's order of January 29, and \$515 to the state treasurer as the proceeds of cold storage and commission merchants' licenses issued in February.

Mr. Harman is still retaining his fees for food and drug inspections and using them in payment of operating expenses of his department.

"YOU TOLD ME THE TRUTH AND I WANT THE PEOPLE TO KNOW IT"

The following unsolicited letter has been received from Mr. J. F. Ward of Donald, Alberta. It is a plain statement of conditions as Mr. Ward has found them:

A Settler's Plain Letter. "It is with pleasure I drop a line to you. We had a good year. Off of 65 acres, oats and wheat, I got over 2,500 bushels of wheat and oats. Oats went here from 50 to 100 bushels per acre, and wheat from 25 to 52 per acre. Just see me being here one year and have over 700 bushels of wheat. It is now over \$1.00 per bushel. Oats is 42 cents, and going up. You told me the truth, and I want the people of Toledo to know it. Hogs are 8 1/2 cents; cattle are high. Canada is good enough for me, I have 5 good horses. I sold 2 good colts, 2 cows and 18 head of hogs and killed 2. I have 6 hogs left. I got 400 bushels of potatoes off an acre and a good garden last summer, fine celery and good onions. One neighbor had over 1,200 bushels of wheat, and sold over \$700 of hogs and 2,000 bushels of oats. This is a great country. If you should tell the people of Toledo of this it would get some of them thinking. The soil is a rich black loam, and a pleasure to work it.

"We have a good farm. We have a flowing well with soft water. It is the best water in the country. Some people think they got to go to war when they come out here. They need not be afraid of war. There is no war tax on land; only school tax, \$12.00 on 160 acres, and road tax of two days with your team. I tell you the truth, there is no land in or around Toledo as good as our land here in Alberta. If anybody wants to write us, give them our address.

"We have had nice weather. We have had it quite cold for one week, but no rain and sleet, and the sun shines nearly every day, and it is hot in the sun. Coal is \$2.25 per ton. The people are very nice and good here. We are well enjoying the West. The horses and cows are feeding on the prairies all the winter. We just have two horses in the stable to go to town with. Yours truly, (Sgd.) J. F. WARD, Donald, Alberta, Feb. 9, 1916."

Statement of Steve Wisconsin, but moved with my parents when a boy to Stephen Co., Iowa. "I was there farming for 50 years. I sold my land there for over \$200 an acre. I moved to Saskatchewan, and located near Briercreek in the spring of 1912. I bought a half section of land. I have good neighbors. I feel quite at home here the same as in Iowa. We have perfect safety and no trouble in living up to the laws in force. My taxes are about \$65 a year on the half section for everything. I have had splendid crops. Wheat in 1915 yielded me over 50 bushels to the acre. That is more than I have ever had in Iowa, and yet the land there costs four times as much as it does here. The man who comes here now and buys land at \$50 an acre or less gets a bargain." (Sgd.) S. Schwetzberger, February 9th, 1916. Advertisement.
