The theatre going public of this city was treated to quite a little out of the ordinary on last Monday evening at the Orpheum. At this time Manager Frank Cassil gave his patrons two acts of Vaudeville besides the regular five reel program which included the fourth installment of that interesting serial "The Broken Coin." It sure made some hit-two capacity houses and many were the remarks that Mr. Cassil may see his way clear to repeat the vaudeville attractions at frequent intervals.

Mr. Keith Neville, of North Platte, Democratic candidate for the nomination of governor of this great state of Nebraska, is in the city today the guest of Attorney Bernard McNony. We acknowledge a pleasant call from the gentleman, and we are also pleased to state that—in our judgment—Mr. Neville possesses those earmarks essential for one seeking such a high honor. With the withdrawal of W. F. Stoecker, of Omaha, from the gubernatorial race, it looks to us as if Mr. Neville had clear sailing.

Week Marks Passing Of Three Citizens

Gilbert Ashton Person
After making a hard fight for life for the past year and a half Gilbert Ashton Person passed away Saturday noon at his home in the west part of this city.

He was born October 25, 1877, at Harmony, Warren county, New Jersey, and moved with his parents to Kansas in the spring of 1886 and there grew to manhood. In the fall of 1899 he came to Red Cloud and was united in marriage to Miss Dottie May Wilson on March 30, 1904, and to this union were born four children who together with his wife, three brothers and two sisters are left to mourn his early demise.

Will Boren Weds Miss Flora Shute
On Sunday morning at ten o'clock, at the home of Rev. G. W. Hummel, with this distinguished divine officiating, occurred the wedding of Mr. William T. Boren and Miss Flora D. Shute. Both of the contracting parties are well and favorably known in this community, the groom being the son and only child of Mr. and Mrs. L. L. Boren, old and highly respected residents of this county, and the bride being a daughter of Mr. and Mrs. George Shute, who for years have resided in Jewell county, Kansas.

William T. Boren was born and raised in this county and since leaving school has been engaged in farming with his father. He is a young man of industrious disposition and possesses those qualifications essential in making for his bride a home equal to any.

Miss Shute is a graduate of the Red Cloud High school and for the past few terms has taught school at Dickens in Lincoln county. She is a young lady, who besides being fair both of face and figure, possesses that quality which plainly demonstrates she will in every way put forth an equal share to ward the making of a happy home.

The young couple have gone to housekeeping on the farm of the late E. N. Roberts southwest of this city. The Chief pauses to join with their many friends in wishing them a long, happy and prosperous life.

The Truth in Advertising

You've heard about the nation-wide movement against misrepresenting goods for sale.

Here's our viewpoint: we are in business to increase sales from year to year.

To do this requires the confidence of the people. And to get this confidence truth is an essential.

We believe that every article we sell, whether it be a collar button or a suit of clothes, is worth every cent we ask for it—sometimes more. We want you to feel the same way after you buy a thing.

If you should not feel that way, the greatest favor you can do yourself and us is to bring it back and give us your reasons. We're open to argument and want you to be, too.

Will you come in and pass judgment on our Spring stock of men's wear?
