GOVERNMENT OBJECTS TO THE PHRASEOLOGY OF THE IMMIGRATION BILL.

"IS REFLECTION ON NATION"

President Wilson Requested by Emperor's Ambassador to Eliminate Coupling Japanese With Hindu Nationalities.

Washington, April 24.—President Wilson was asked by Viscount Suteki Chinda, the Japanese ambassador, to have the phraseology of the Burnett immigration bill, now before the senate immigration committee, changed so that the apparent coupling of the Japanese people with those of Hindu nationality would be eliminated.

It is understood that the Japanese ambassador called the president's attention to the fact that the Japanese government had agreed to restrict coolie emigration to the United States at the time of the original California immigration dispute and protested that now to write a provision of this character into the bill would be an implied reflection upon the good faith of the Japanese nation.

Congressional Nominees. All of the present congressmen running to succeed themselves have been renominated. Following are the party candidates chosen in each district:

First—John A. Maguire, democrat; C. L. Reavis, republican. Second—C. O. Lobeck, democrat; Ben S. Baker, republican.

Third—Dan V. Stephens, democrat; William P. Warner, republican. Fourth—W. L. Stark, democrat; C. H. Sloan, republican.

Fifth—A. C. Shallenberger, democrat; Silas R. Barton, republican. Sixth—E. P. McDermott, democrat (nominated by writing in his name); Moses P. Kinkaid, republican.

On the republican ticket John L. Kennedy has the nomination for U. S. senator with a lead of more than 9,000 over his opponent, ex-Governor Aldrich of Lincoln.

The latest tabulation on candidates for the supreme court, including both Lancaster and Douglas counties nearly complete, gives these totals: Chief Justice—31 Counties.

Morrissey 26,858 Fawcett 26,214 Supreme Judges—31 Counties.

Cornish 23,507 Barnes 21,359 Hastings 21,140 Sedgwick 20,473 Dean 18,213 Martin 17,560 Hunt 16,323 Palmer 15,859 Goss 15,530 Falloon 10,011

There are six candidates for supreme judges to be nominated, and those receiving the highest vote will be given places on the ballot at the November election. As two candidates were to be nominated for chief justice, both Morrissey and Fawcett will have their names on the ticket.

Miles Concedes Defeat. Hastings.—"The verdict of the voters leaves no sore spots and I will do everything in my power to contribute to the success of the nominee this fall whether it proves to be Judge Sutton or McKelvie," said C. J. Miles, defeated primary candidate. "Either would be a worthy choice to make for the success of the republican party this fall. There cannot be the slightest doubt but what the voters of Nebraska will ratify the republican primary choice at the November election."

Thirteen out of twenty-four precincts in Adams county gave Judge Dungan 1,047 votes and Blackledge 222 in the race for the nomination of district judge in the Tenth district.

W. E. Andrews has sent his successful opponent, ex-Congressman S. R. Barton, congratulations for his success in winning from Andrews the republican congressional nomination in the Fifth district.

Judges Morrissey and Fawcett are opposed for the nomination for chief justice, being the only two to place their names on the ballot. Judges Cornish, Barnes and Sedgwick are now in the lead for the three places below the chief justice, with Hastings, Dean and Goss close behind them. Judge Cornish polled big votes in Saunders and Sheridan counties in addition to Douglas and Lancaster.

Complete returns from the country districts, including Seward, Cherry and Saline counties, show good gains for McKelvie. Franklin, Buffalo and Sheridan counties turned to Sutton. The final result on the race for governor is still in doubt and will continue to be so for several days until returns are available from more counties. The figure so far represents twelve complete counties and 500 odd precincts.

Little doubt exists concerning the democratic race for governor. It has ceased to be a race, with Bryan supporters wondering how much of a lead Neville will accumulate before he is through. Revised totals from a dozen complete counties show Neville a lead of 9,600.

C. M. Husted, McKelvie's secretary, expressed himself as well satisfied with the McKelvie showing. Whereas he had expected to see Douglas county go for Sutton by an overwhelming majority, he was convinced that the margin in favor of the judge in that county would not be more than 2,600. Mr. Husted said there was no question in his own mind but what McKelvie would be the republican nominee.

Lincoln.—Revised totals received to date give Sutton a lead of more than one thousand over S. R. McKelvie in the race for a place on the republican gubernatorial ticket. An error amounting to an even thousand votes was found in the returns from Douglas county, cutting the McKelvie figures down and increasing Judge Sutton's lead.

For state auditor, Marsh leads Minor by a small margin. For university regent, Hewitt has passed Seymour for the honor of acting as running mate with S. C. Bassett, and for the democratic nomination for state treasurer George Hall is gradually widening the distance between himself and Harry Adams.

For chief justice, A. M. Morrissey and Jacob Fawcett are nominated without opposition. For associate justices, the nominees are Barnes, Sedgwick, Hastings, Cornish, Dean and Martin. Martin is more than 2,600 ahead of Hunt the next man in the list.

S. C. Bassett and George N. Seymour are the republican nominees for regents of the state university. The vote reported from fifty-one counties gives Bassett a big lead over all others, and puts Seymour about 1,350 votes ahead of his next closest competitor. Following are the figures on this office: Bassett, 22,140; Seymour, 18,816; Hewitt, 17,420; Sams, 13,138; McGilton, 12,738.

Willis E. Reed is assured of the re-nomination on the democratic ticket for attorney general with a lead of 5,000 over George Berge.

Robert W. DeVoe of Lincoln will run against Reed next fall on the republican ticket. Mr. DeVoe is a Lincoln attorney and received the support of both the dries and wets. Mr. DeVoe has received twenty thousand votes from two-thirds of the counties in the state to Halderson's 14,000 and Anderberg's 10,000.

Returns from eighty-eight counties, complete in some instances and partial in others, puts Neville 12,000 ahead of C. W. Bryan in the democratic race for governor.
