Of Interest To Our Patrons.

It is with pleasure that we announce to our many patrons and friends that we have secured the services of another first class printer and newspaper man, Mr. M. K. Quigley, of Denver, Colo., who has accepted the position vacated by our former employee, who has left our ranks in order to take upon himself the title of editor. We are again in a position to take care of your wants in printing, and all orders placed with us will be executed in a first class manner, as Mr. Quigley has had experience on the large city papers and job offices, and he brings with him the very latest ideas in up-to-date printing.

It is our intention, at an early date to add more modern machinery and material to our equipment, as we are going to spare no expense to give our patrons the very best in printed matter. When in need of "anything printed," call on us and let us figure with you on your work. No jobs too large or too small.

We also ask you to bear in mind that a few dollars invested in advertising in columns of the CHIEF will net you good returns.
