### LESSON FOR DECEMBER 3

JESUS CHRIST THE FIRST AND THE LAST.

LESSON TEXT-Rev. 1. GOLDEN TEXT-Fear not; I am the first and the last, and the living one; and I was dead, and behold, I am alive for evermore.—Rev. 1:17, 18.

The lesson committee have departed, seemingly, a long way from anything like chronological order. Paul had nothing to do with the writing of the Revelation, yet this lesson illustrates the pre-eminence which Jesus Christ had in the mind and labors of the great apostle (Col. 1:18).

I. Introduction. (vv. 1-3.) We would suggest that all Bible students and teachers, if possible, read the introduction to the Book of Revelation in Scofield's Reference Bible. The book proper is "The Revelation of Jesus Christ." John, the beloved disciple, who wrote the Gospel and Epistles, was the one who saw the visions recorded therein. Many of the things are historical, others are prophetically set forth. The latter are "shortly to come to pass," (See also II Peter 3:8.) John tells not only what God said but what he himself saw. The late Doctor Brooks of St. Louis omitted this book from his study for many years until he saw the comments recorded in verse 3. The time of the writing of this book has variously been stated as from A. D. 60 to A. D. 96; the writer was certainly John the Beloved. The place of writing was the island of Patmos in the Aegean sea, not far from Ephesus. The real author, however, is Jesus Christ, the Son of God.

II. Salutation (vv. 4-8). "The servant of Jesus who records his message was John, and the message was to be to "the seven churches which are in Asia;" that is, the western portion of Asia Minor, of which Ephesus on the Acgean sea was the principal city. These churches are definitely named in verse 11. There is good reason to think that these churches represented the seven successive epochs of church history. If so, no age is exclusively Ephesian, or Philadelphian, or Laodicean. The grace, favor, loving kindness, is a free gift from Christ, who is here giving a threefold title, namely: First begotten from the dead, witness and prince.

III. Vision (vv. 9-18). What John

saw on the isle of Patmos he was to write upon a parchment roll and send It to the seven churches, each of which needed a message. Under the figure of seven candlesticks are enumerated seven churches. Into the midst of these churches, actually present in them, is one like unto the Son of Man. (See also Matthew 18:20.) Like a human being, Jesus was, but now clothed with the garment of his eternal glory, girded about with the girdle worn by priests and kings, a symbol of his power and strength (Isalah 11:5; Eph. 8:14). His head and his hands, his feet and his eyes are all referred to, each having its symbolical significance. In his right hand are the seven stars (v. 16), the angels of the churches, pastors or leaders, possibly guardian angels (v. 20). They are held in his right hand, signifying that they are protected, upheld and controlled by his wisdom and power. (See Jeremiah 22: 24). From his mouth goes a sharp. two-edged sword; the spirit of the Word of God sharper than any twoedged sword (Hebrews 4:12). And his countenance was as the sun shining in its strength, the glory such as was manifested in the transfiguration, such as Paul saw near Damascus, is here re ferred to.

IV. The Command. John had enjoyed a tender intimacy with the Lord during his earthly life and yet he was stricken down with the overpowering majesty and glory which had been revealed. Now he realized, as perhaps never before, the significance of the ever-living Christ, and he is hereby specifically commanded to record this vision as he had seen it and the messages which the Lord had for the churches. The word mystery (v. 20) has reference to something which has hitherto been hidden to men and which is now about to be revealed. The revelation was to these churches, and it is to us also.

Jesus is not a mere vision but he is a living reality, unveiled for the time from the unseen.

Jesus is a living fact which we are to communicate to men. The seven stars (v. 20) are messages in his own right hand.

The churches are the lamp stands, Christ himself is the light, the sun (v. 16).

The messages John is commanded to deliver have a four-fold application (1) to the churches actually addressed, but which have long since passed away; (2) to all churches in all times, admonishing them to discover their true spiritual state; (3) to individuals, "he that hath an ear," that they shall claim the promises made "to him that overcometh" and (4) they are prophetic of the different phases of spiritual history, following the days of John, the writer, (a) Beginning; (b) persecution; (c) worldliness; (d) priestly formalism; (e) reformation; (f) testimony to the word and the name.

# COLT DISTEMPER

You can prevent this loathsome disease from running through your stable and cure all the colts suffering with it when you begin the treatment. No matter how young, SPOHN'S is safe to use on any colt. It is wonderful how it prevents all distempers, no matter how colts or horses at any age are "exposed." All good druggists and turg goods houses and manufacturers sell SPOHN'S at 50 cents and \$1 a bottle; \$5 and \$10 a dozen. SPOHN MEDICAL CO., Chemists and Bacteriologists, Goshes, Ind., U. S. A.
