

## Attractive Summer Tours Through the East

An extensive scheme of diverse-route eastern tours has been announced—circuit tours to New York and Boston, going one way, returning another; eastern trunklines and steamer lines cooperate in these tours that may be planned to include Canada, New England and Atlantic Seaboard resorts, Sound Steamer, Coast Lines the Virginias, Boston, New York and Washington. The general limits of these low fares are for sixty-day tickets.

The Burlington's eastern tourist-lead is now on the press. Describe to me the general tour you have in mind. Let me help you to make it and furnish you with descriptive literature covering the proposed.

## PATRIOTIC LEAGUE OF NEBRASKA

TO SUPPORT PRESIDENT WILSON IN ALL WAR MEASURES

Omaha, May 3.—Following up the action taken at the meeting held in Omaha last Thursday, attended by 60 representative citizens from all parts of Nebraska, steps are being taken to complete the organization of the Patriotic League of Nebraska. The purpose of this League, as announced in its preamble, is:

"To promote the spirit of true patriotism in our state, to support the declared policies of our president in the present war with the imperial government of Germany, and to evoke a sound sentiment in aid of needed measures to place and keep our country in position to protect and defend at all times American rights, American ideals and American honor."

Hon. Wm. D. McHugh, ex-United States Judge, was elected president. Dr. Fred Morrow Fling, of the State University, vice-president, and Francis A. Brogan of Omaha, secretary-treasurer, and these officers, together with L. D. Richards of Fremont, Frank M. Hall of Lincoln, C. C. George of Omaha, Chairman of the Executive Committee of the Omaha Commercial Club, Dr. E. C. Henry, of Omaha, President of the Rotary Club, and Gould Dietz, prominent official of the Omaha Ak-Sar-Ben, will constitute the executive committee.

A board of thirty directors was chosen at this meeting, to serve for the first year. They are as follows: First District—F. M. Fling, Lincoln; Paul Jensen, Nebraska City; Chester A. Aldrich, Lincoln; W. C. Wilson, Lincoln. Second District—Dr. E. C. Henry, Gould Diets, S. F. Neble, C. J. Ernst, T. C. Byrne, C. C. George, John T. Yates, R. L. Metcalfe and W. G. Uro, Omaha.

Third District—L. D. Richards, Fremont; H. M. Hopewell, Tekamah; George A. Eberly, Stanton; C. E. Burnham, Norfolk.

Fourth District—E. E. Placek, Wahoo; Matt Miller, David City; L. W. Colby, Beatrice; Clark Perkins, Aurora; J. H. Grosvenor, Avoca.

Fifth District—Charles G. Ryan, Grand Island; Fred W. Ashton, Grand Island.

Sixth District—T. C. Patterson, North Platte; Patrick Miles, Sidney; John N. Dryden, Kearney; M. S. Eddy, Broken Bow.

Steps are now being taken to appoint an organizing secretary who will have under him an auxiliary council of 50 active young men, and there will be in each congressional district, as well as in each county in the state, an organizing deputy, just as soon as volunteers have come forward to undertake this work. It is expected that 10,000 members will be enrolled within the next sixty days, as offers are coming in from all parts of the state to assist in the organization.

Loyalty From All Americans.

At the meeting at which the organization was begun, enthusiastic speeches, expressing patriotic support of the president, were made by John W. Cutright of Lincoln, T. C. Patterson of North Platte, Dr. Fling of the University, Matt Miller of David City, and Matt Gering of Plattsmouth, who, born in Germany, proclaimed himself in this crisis a whole-hearted American citizen, loyal to the president and pledged to uphold him in this war to overthrow military absolutism on the continent of Europe, and make democracy safe throughout the world.

The chief note in the speeches was that our public servants must lay aside partisan politics and support the president's program, as outlined in his great war message of April 2d. Life-long republicans, who had opposed President Wilson up to the time that message was delivered, were found among his enthusiastic supporters at this time; and democrats who have followed him from the beginning, expressed renewed confidence in his leadership.

Declaration of Principles. The meeting adopted this declaration of principles, and wired it to the president and to the members of congress:

"We express to President Wilson our profound faith in the mastery statesmanship embodied in his great message to congress, in which he voiced the purposes of this people, and its attitude towards the issues of the world war. We pledge him our support, and declare that along the trail which he has blazed, the American people are ready to follow him to the end.

"We believe in the new alignment,—that during the war there shall be, neither in congress nor out, any republicans nor any democrats, but only two new parties,—American patriots on the one hand, supporting the government, and on the other hand, all those who from any motive see fit to oppose it.

"We hold that this war should be carried on by the national government, and all functions controlled by federal agencies, to the end that there shall be efficient co-ordination of the resources of the country, and no divided counsels, to distract or weaken.

"We declare in favor of the administration army bill, and we approve the principle of selective draft, based on universal liability to service, not alone because it is urged by the president and his advisers, but also because it is right.

"We invite the co-operation of all citizens of Nebraska, and we urge them to join with us in extending the membership of this league, so that the loyal sentiments of the people of this state may have due expression.

"We call upon the friends of the republic in each state of the Union, to organize patriotic leagues, and to enroll the friends of the president's program in state-wide organizations, that will mobilize public opinion to the support of all needed war measures."

Bills.

"I heard an explorer lecture last night," said the old fogey, "and he says that there are birds in Africa with bills a yard long."  
"I'll bet they call them plumber birds, don't they?" asked the grouch.

"Teehee!"

Houston B. Teehee has been appointed registrar of the treasury at Washington.

There's a novel little wiggle in your name that makes us giggle:  
You'll excuse us if we titter, Houston B. And we think it will be funny when your name is on our money,  
For we'll read it and we'll say: "Teehee! Teehee!"

Huh!

"I notice that you publish a verse from the Bible every day," said the caller to the editor of the newspaper. "Do your subscribers ever read it?"  
"Should say they do," replied the editor. "Why, it is news to most of them."

The Byplay Minstrels.

"Well, Mr. Bones, you look angry tonight. What is the trouble?"  
"The rain tried to get familiar with my wife, and it made me mad, Mr. Interlocutor."

"But how could the rain get familiar with your wife, Mr. Bones?"  
"It tried to patter on her back."

"Very good, Mr. Bones. And have you anything to offer this evening, Mr. Tambo?"

"Yes, sir. Can you tell me why a pretty girl is like a wagon wheel?"

"No, Mr. Tambo, I cannot. Will you tell us why?"

"Because she is always surrounded by fellows."

"As soon as the stage has been cleared of vegetables, eggs and bricks, Mr. Howe E. Haulers will render that pathetic ballad, 'Sit On My Left Knee, Darling, For the Right is Growing Numb.'"

The Intelligent Composer.

"The bird is on the wing," I wrote. But this phrase got the printer's goat. Said he, "I think that is absurd. You mean the wing is on the bird!"

## Kansas City Market

April 30, 1917—Cattle receipts were 10,000 today, steers weak in spots, otherwise the market was strong, top \$12.40. Hog supply was 10,000, market steady to 10 lower, top \$15.85. Sheep and lambs sold 25 to 40 higher lambs with wet fleeces at \$16.90, receipts 5,000.

Beef Cattle.

The supply of pulp fed steers was only one half as heavy today as on recent Mondays, and there will be few of that class after this week. Best natives sold here at \$12.40, prime steers worth up to \$12.75, short fed steers, \$10.25 to \$11.75, a certain kind of steers to killers down to \$9. Pulp steers did not average as good quality as usual today, sales mostly at \$11.65 to \$12.25. A few advance shipments from North Texas sold in the Quarantine division at \$10 to \$10.40, weights around 1,100 lbs, some 922 lb Oklahoma steers in that division today at \$9.90. Bulls sell up to \$10.25, quarantine bulls \$9, cows \$10.50, veals \$13. April receipts show a good increase over last April at all markets, due to forced marketing, and receipts are expected to drop off in May.

Stockers and Feeders.

The war situation gives all futures a bullish stimulus, but not many cattle are wanted for immediate feeding, a few sales at \$9.60 to \$10, some near fat steers around \$11, stock steers, \$8 to \$10, stock cows and heifers \$7.25 to \$10, fancy bred heifers and calves up to \$11.50.

Hogs.

Receipts are insufficient for the demand, but packers are determined to keep some sort of control over the market, and fight for concessions every day. A good order demand makes their task hard. Shippers paid \$15.85 to \$15.65, light weights \$14.80 to \$15.40, pigs \$12 to \$14. Receipts today include two car loads from California, a few shipments each from Colorado, Arizona, New Mexico, and Texas, besides shipments from nearby states, Missouri hogs brought the top price. Packers will be unable to accumulate any considerable stock of provisions in May and June, as is their custom, which apparently means that they will have to operate on a hand to mouth basis during the summer and fall months, putting the situation almost completely into the hands of sellers.

Sheep and Lambs.

The law of supply and demand is operating without restriction, in the sheep house, prices 25 to 40 higher today, and nearly a dollar above a week ago. A drizzling rain added weight to pelts, yet woolled lambs sold at \$15.60 to \$16.90, ewes worth \$13.00 to \$13.75, clipped ewes around \$11.50, clipped lambs today \$13.40, spring lambs recently at \$15.75 to \$16. Coats sold to killers today at \$8.60. Texas is shipping nothing, and the fed lots has about emptied in every section.
