NUMBER 24

HELP YOUR COUNTRY and Make Money for Yourself

Uncle Sam must have the money QUICKLY to build thousands of food and munition-carrying ships, to raise, equip and maintain an army of 1,000,000 men; to give us a smashing big navy—in short, to enable our country to carry on its share of the great war for the FREEDOM OF THE WORLD.

You can do Your share by lending the Government some of your savings. Invest now in one or more of the Liberty Loan Bonds. You will be helping yourself while you help your country. The bonds pay three and one half per cent interest and are as good as gold. There is an easy payment plan. For example, if you want to buy one of the Fifty Dollar Bonds, you can make your payments at this bank, as follows:

2 per cent when you buy the bond.....	\$ 1.00
18 " " on June 28, 1917.....	9.00
20 " " on July 30, ".....	10.00
30 " " on Aug. 15, ".....	15.00
30 " " on Aug. 30, ".....	15.00
	\$50.00

The bonds will be dated June 15, 1917, and will run for 30 years, when the Government will repay the principal. Twice a year the owner will receive interest at the rate of 3½ per cent a year.

Come in and let us help you to help yourself, your country and humanity

Many Patriotic Citizens Observe Registration Day

One of the greatest days in the history of Red Cloud and the Nation has come and gone—Registration Day. This day was fittingly observed and the program that had been arranged by the committee in charge carried out in full. F. W. Cowden, secretary of the Chamber of Commerce, was marshal of the day.

The parade was formed at 1:30 p. m., at the corner of Fourth Avenue and Webster street, which was composed of city officials, members of the G. A. R., W. R. C., Boy Scouts, school children, the band, members of the Commercial Club and last but not least the young men who had registered in compliance with the ruling of the government, who marched in a body through the principal streets of the city, thence to the court house, where the balance of the program was given.

County Attorney F. J. Munday was master of ceremonies, who after a brief tribute to the flag of the nation, introduced the various speakers. The Red Cloud Concert band, which we are pleased to note responded to the call of patriotism with every member present, rendered appropriate selections, after which America was sung by the entire audience, under the leadership of N. B. Bush.

Dr. R. P. Hoxsey, who by the way, has volunteered his service to the cause and awaits the decision of the government medical board, as to whether or not his services will be accepted, was the first speaker. He outlined the various departments and duties of the large medical corps that is required to look after the wants of the army, on the firing line, in the hospitals, the training camps and recruiting stations. Rev. Drullner then came forward and delivered a very impressive and interesting talk, telling the audience his private opinion, which was based on careful study and perusal of various classes of literature since the beginning of the war, concerning the needs of the nation, in order to defend our country and to establish freedom of speech and government on both land and sea; speaking highly of the young men who had registered; appealing to everyone, who was financially able, to purchase a liberty bond; and citing the example set by the allies in the huge sum of money they had raised in order to defend their country and concluded by saying that all he had in this world was his family, for whom he would give the last drop of his blood.

Mr. E. J. Overing's address proved to be both interesting and instructive. He stated that he wished to impress upon the minds of the people just what this war represented; autocracy against democracy, or to come right down to facts, right against wrong. Autocracy demanded that the power of government should be handed down from one ruler to another, while democracy was a government for the people, and by the people. Also that he held no malice against the German people, as individuals, but that it was the principals of the rulers that we were fighting. He concluded by reading a piece of poetry that he had secured, which outlined the duties of three men; one was in the trenches fighting for his country, one was in the mill laboring to supply the fighting men with weapons and clothing, while the third was in the field behind the plow, his duty being to supply the soldiers and nations with food.

A mixed choir, composed of several of our patriotic men and women, rendered several vocal solos, which was highly appreciated by the audience. A very large crowd was in attendance which bears evidence to the fact that when Red Cloud sets out to accomplish any given mission the same is always crowned with success. Much credit is due to the marshal of the day and the committee in charge, for the fine program that they arranged.

The Chief on behalf of the young men who registered on Tuesday wishes to express their appreciation and thanks to the committee in charge, and the young ladies who stationed themselves at the places of registration in the two wards, and presented each future soldier with a Red, White and Blue Ribbon.

City Council Creates Paving District No. 1

On Tuesday evening Mayor Damerell adjourned the regular session of the Council until Wednesday morning at 8:30 a. m. on account of no quorum and at this hour this morning he called the Council together with all members present.

Morhart Bros. application and bond for \$1500 was presented and accepted.

Sale and use of all kinds of fireworks was prohibited within the city limits on July 4th.

Report of S. R. Florance for May presented and ordered placed on file.

Application of Chas. H. Kaley for permit to erect a two story brick building on lots 1 and 2, block 25, Red Cloud was granted subject to approval of City Engineer.

Proposition of Malone-Gellatly Co. to erect a duplicate oil tank at power house for the same terms, condition and price as the one they have already erected, the Council to pay the increased cost of labor and material over the cost when other tank was erected was accepted.

Council adopted the paving ordinance to include six and one-half blocks, from the north line of Second Avenue, to the south line of Sixth Avenue, on Webster street, and from the west line of Elm street to east line of Cedar street on Fourth Avenue, from west side of alley west of Webster street to the west line of Webster street on Third Avenue. Mayor and clerk was instructed to enter into contract with Grant & Fulton to engineer paving project.

The following claims were allowed after which the Council adjourned to 2 o'clock when they will revise the water ordinance it requiring lead pipe laid to the mains in the paving district:

Guy Zeigler.....	\$140 00

N S Darley.....	3 90

Our Young Men

A meeting will be held in the near future to give all the loyal citizens of Red Cloud a chance to show their appreciation of the young men, who came to the front last Tuesday and pledged their devotion to defend the honor and integrity of our country.

They deserve our warmest appreciation, our encouragement, and the applause that young patriotic lives are entitled to. The time and place for this meeting will be announced later.

Married at Kearney

Last Thursday, Edgar McIntosh hied up to Kearney where he met the young lady of his choice, Miss Bessie Koon, secured the necessary papers and were united in marriage.

The bride is a sister of W. L. Koon and is a young lady of refinement who by her pleasing manner has endeared herself to her many friends.

The groom comes from one of our highly respected families, being a son of Mr. and Mrs. James McIntosh, residing north of this city. He is a graduate of the Red Cloud High school and for the past few years has been engaged in farming with his father.

The young couple with the well wishes of their many friends will go to housekeeping on one of farms owned by the groom's father.

Let US furnish that Wedding Present

JEWELRY IS THE THING TO GIVE FOR A WEDDING PRESENT. IT IS THE STRONGEST MARK OF AFFECTION YOU CAN SHOW TO THE ONE OF WHOM YOU ARE FOND.
