

Estes Park Rocky Mountain National

THIS magnificent vacation-land, so near at hand, has been made a National Park and it certainly has every requisite for a National Summer play ground. It is a region of forests, canyons, streams and lakes, a paradise of mountain air and wild flowers, a natural amphitheatre of 150 square miles, with snow-capped panoramic barriers—Long's Peak, James' Park and the Continental Divide.

Burlington trains take you there quickly and at a small cost—only \$27.00, generally speaking, from middle and eastern Nebraska and Estes Park. This includes rail and auto via Lyons or Loveland.

Over 50,000 tourists visited Estes Park last Summer.

Colorado has hundreds of resorts, recreative places and automobile tours. You have every day the lowest possible rates to Denver, Colorado Springs and Estes Park. Arrange early for any accommodations that you will want in Colorado this coming summer. Let me help you.

Coming

Burk's Big Uncle Tom's Cabin Company will exhibit under a mammoth canvas at Red Cloud, Monday July 16.

Among the many tented organizations in America, that have become famous, the Ringling Bros. and Barnum & Bailey Shows are conceded to be the largest and most popular Circuses. But the largest Dramatic organization exhibiting under canvas is "Burk's Big Spectacular Production of Uncle Tom's Cabin." This mammoth Amusement Enterprise is the acknowledged BARNUM of all "Uncle Tom's Cabin Companies"; like the big circuses, they travel in their own cars and require a special train of their own to transport their paraphernalia from one city to another. This organization embraces more men, women and children, more horses, ponies, donkeys and Siberian blood hounds, more chariots, floats, tableaux wagons, etc., than any other similar exhibition in America. The Parade which may be seen daily on the principal streets wherever this mighty show exhibits, is the largest of any Dramatic exhibition in the world. The immortal play, "Uncle Tom's Cabin," is Mrs. Harriet Beecher Stowe's Masterpiece of Dramatic Fiction. The management of Burk's Big Company has spared no expense in securing a metropolitan east to properly produce this grand old drama. In combination with the dramatic talent the management presents a contingent of high class vaudeville artists consisting of merry-makers, jubilee singers, dancers, wire walkers, hoop rollers, etc. These artists are introduced during the action of the play, and always create the greatest of satisfaction. Fred R. Plicher's famous concert band and symphony orchestra is also one of the many strong features of this up-to-date modern American Amusement Organization which is coming in all its vast entirety and will exhibit at Red Cloud, Monday July 16, under a mammoth water proof palace pavilion theater seating 2500 people.

Midwest Merchants Will Feast at big Barbeque

Among the many and unique entertainment features which will be provided for the merchants of Iowa, Nebraska, Wyoming, South Dakota and Missouri during Merchants Market Week in Omaha, August 20 to 25, will be a big barbeque at Krug Park.

The Omaha entertainment committee will go the limit on this event. The schedule of food already includes one ox, one sheep, and two pigs which will be barbequed. In addition the necessary fixin's will be added to make the meal "delightful and satisfying".
