

IS IT WORTH A DIME A DAY TO BE AN AMERICAN?

If every person in Nebraska were to save a dime a day and invest in War Savings Stamps, the state's quota would be complete before the end of the year.

Is there anybody who cannot save ten cent a day? Is there anybody in this town who cannot double that amount. No, there isn't. Let's prove it by doing it, each and every one of us.

Resolve today to lay away 10 cents for each member of the family by purchasing interest-bearing War Savings Stamps.

War Savings Stamps Better Than Money In Your Pocket!

A \$5 bill in your pocket does not increase in value; a War Savings Stamp does.

War Savings Stamps are little government bonds bearing 4 per cent compound interest. They cost \$4.12 now. In five years they will be worth \$5 each. If you wish to cash them in before that time you can do so at the post-office.

The 25-cent War Savings Stamps are known as Thrift Stamps and are intended for children's savings. They do not bear interest, but sixteen of them are worth \$4 in payment on a \$5 War Savings Stamp that does bear interest.

War Savings Stamps can be bought in any amounts up to a thousand dollars.

You can buy War Savings Stamps in either sizes at the post-office, at banks and at most stores.

Pawnee

Herb Barber rented one of the W. B. Relighans places west of Mount Hope.

Jim Wonderly bought five head of colts at the Wes Womar sale.

The sale of Wes Womar on last Thursday was well attended and all kinds of stock brought fancy prices.

Jay Leadbrand and Ben Mapes sold several head of cattle to Frank Ryan and Max Lehighan last Friday.

Jerry Dunne dug a new well on his place, the Upp Bros. and George Ring doing the work.

Mrs. Francis Leadbrand and son were visiting with Mrs. W. A. Leadbrand and family last Sunday.

Most of the farmers are testing seed corn now days, making sure the percentage of germination prior to planting.

Bill Relighan, Dell Brown and Con McCoale are on the sick list, the trio met in Dr. Jeffries office last Thursday.

Fay Upp rented and moved to the Spence Potter farm last week, the former renter, Nellie Potter purchased the Mrs. Daves farm near Mount Hope.

Miss Nora Dunne arrived from Lincoln a few days ago. She will keep house for her father, also aims to go into the chicken raising and gardening on an extensive scale.

Raymond Mohler accompanied his father to Yuma county, Colorado, last week. The former aims to buy up some western land and go into the cattle business.

Very high wind accompanied with some snow, which occurred on Friday night and a part of Saturday, upset many hay racks and small buildings as well as scattering quite a lot of hay over the prairie.

The general epidemic so prevalent all winter is now almost extinct, and still there is quite a lot of other sickness such as lagrip, which keeps the doctor always on the go, putting up with many sleepless nights, besides going Fordless and roadless, constituting I think, sufficient self-sacrifice to warrant an elimination of some, at least, of the other things mentioned in the Hoover category.

Farm Loans

Lowest rates, best terms and option and in any amount. No inspection expense, and absolutely no delay. Six plans to choose from. Sole agent for Trevett, Mattis & Baker.

J. H. Bailey.

IMPORTANT NOTICE!

Meetings Will be Held Friday Afternoon, March 22, at 2 P. M., to Obtain Subscriptions for War Savings Stamps.

All Schools and Business Houses in the County Have Been Asked to Close at 2 P. M. That Day

Governor Issues Proclamation

Meetings of all tax payers and wage earners in this county will be held in each school house in the county at 2 p. m. on Friday, March 22, 1918. These meetings have been called by War Savings Director Ward M. Burgess, appointed under the authority of the Secretary of the United States Treasury, and pursuant to the proclamation of the Governor of the State of Nebraska.

The school moderator in rural districts will preside at each school house meeting, and the school director will keep a record of the proceedings. The director will report the names of all persons present and the amount of War Savings Stamps subscribed for by them. He will also report the names of any absent persons and the names of those persons who refuse or neglect to subscribe and the reasons for so doing.

War Savings Stamps (which are United States Government Bonds the same as Liberty Bonds), can be paid for during any month in the year 1918, but it is intended that subscriptions will be signed for them on March 22.

The price of each War Savings Stamp depends upon the month during which it is bought. During March each Stamp will cost \$4.14. In April each Stamp will cost \$4.15, and so on, one cent more each month during 1918. On January 1st, 1923, the Government of the United States will redeem all War Savings Stamps at \$5.00 each, no matter during which month in 1918 they were bought. They cost less during the early months in 1918 than during the later months because the person who buys earlier has loaned his money to the Government for a longer time than if he should buy later.

By way of illustration, note the following table:

COST OF WAR SAVINGS STAMPS DURING MARCH, APRIL AND MAY, 1918.

	Cost in March	Cost in April	Cost in May	And Are Worth on Jan. 1, 1923
1 Stamp	\$ 4.14	\$ 4.15	\$ 4.16	\$ 5.00
25 Stamps	103.50	103.75	104.00	125.00
50 Stamps	207.00	207.50	208.00	250.00
100 Stamps	414.00	415.00	416.00	500.00
200 Stamps	828.00	830.00	832.00	1,000.00

The law provides that no person can hold in his own name War Savings Stamps exceeding \$1,000 maturity value. War Savings Stamps, however, may be purchased in the name of other members of the family, including minor children.

The money invested in War Savings Stamps is not a gift, or a donation, but is a loan to the Government. It will all be paid back with 4% compound interest. If, because of some serious financial reverses, or calamity, it should be necessary to get your money before January 1, 1923, you may do so by giving ten days' notice to any Money Order postmaster, in which case you can get what you paid for the Stamps, with interest to date of payment. The Stamps are tax free; when registered at the postoffice they are insured against loss; they are backed by all the property in the United States; they cannot fall below par in value; they are the most convenient and best paying investment ever offered by our Government.

The Government of the United States expects every school district and county to subscribe its quota of War Savings Stamps.

It is to be hoped that the subscriptions taken at the meetings in this county will show that the people here are loyal American citizens to whom our Government, in this time of need, does not call in vain.

Special Notice For Webster County

The allotment of War Savings Stamps for this county is \$245,000. The amount required from each School District will be announced by the School Director at the meeting at the School House, March 22. This allotment is figured on a basis of \$20 each for every man, woman and child in the family in the District. A person financially able must subscribe more than this amount, as some persons may not be able to take their full allotment. Wherever possible, the head of a family should subscribe 4% of his property value above indebtedness. As example: A man worth \$12,500 should purchase \$500 of War Savings Stamps, which, if purchased in March, would cost him \$414. In other words, this man loans to the government \$414 and gets full credit for \$500 January 1, 1923. (Signed) C. H. MINER, Red Cloud, War Savings Chairman for Webster County, appointed by State Director Ward M. Burgess, under authority of the Secretary of the United States Treasury.
