Earl Patten and others will attend the District C E Convention at Edgar, the 19th.

More than fifty people have pledged to attend the Wednesday night Bible Study for the month of May, June, July and August. A church without Bible Study and prayer meeting is of little moral value.

A special church service calendar for the summer months will soon be worked out and the program for May will be in the next issue of the paper. Every service in May, June, July and August will be important and special. The Acid Test of the church is its faithful attendance and support of the cause of Christ.

The business of the church is:  
To Lead Men to Christ.  
To Organize God's Friends.  
To Do Good to the World  
To Preserve Human Rights  
You share in the blessings of Christianity, why not have part in the responsibility of the Kingdom?

# A Brassiere will Complete Your Corset

The contour from shoulder to knee is important. There should be no break, but an easy sweep of line over the top of the corset straight down the hips.

**Warners' Brassieres** insure this sweep of line and "blot out" the break one otherwise would find.

They are well-made, prettily designed and trimmed, and as strongly guaranteed as the celebrated Warner's Rustproof Corsets.
