A Daughter of the Land

A story of American Gell by Gene Station Parler, author of Wireskles, "A Chil I be lamin float," ort.

Kate Bates, a true "Daughter of the Land," is as American as the Unddess of Liberty. She fought for her free dom against long odds, renouncing the easy path of luxury that leads to loss of self respect. She learned her great lesson as America is now learning it-that only through sacrifice and in at the bottom of the deep well, olls County Fair promises to be better sorrow is character builded and hap-

piness attained. The whole book is in tune with the earnest mood of the times. It is eshoroughbied cattle on exhibition at fire works ever displayed will show sentially patriotic in spirit, and emphasizes the tremendous importance to the nation of the lives of those who
