### Raymond Moler Funeral

A mantle of sorrow fell upon the people of his community when news of the death of Private Raymond Moler came. He left Ft. Riley, in apparent good health and four days from the appearance of first symptoms died in the hospital at Camp Sheridan, Illinois.

He was the son of Mr. and Mrs. Joseph Moler, formerly of Logan township but now residing at Lebanon, and was 22 years and 2 months of age.

The remains arrived at Lebanon Monday and interment was in the family burial ground at Mt. Hope.

The large attendance at the funeral services was ample evidence of the love and respect for the soldier.

Rev. A. Grimes of Elgin gave the services dwelling eloquently upon the highly patriotic, heroic and Christian qualities of the deceased. Appropriate music was rendered by the local choir, and profuse and beautiful floral offerings were ample evidence of love and respect.

The bereaved parents, five brothers and two sisters, besides a large circle of friends, mourn his death.

Raymond was planning to soon join his brother Clay, who was among the first to go to France after the declaration of war. Two other brothers, Ben and Harry, are in the draft and ready to go when called.

## There is a Difference in Lenses

Just as there is between a piece of pure gold and that containing alloy. The lenses used by me are the finest that can be had. These come in the rough and are ground until they exactly meet the requirements of your particular eye trouble. One cannot be too careful about the eyes. The matter of a dollar or so should not enter into the calculation. This store refuses to wait for your patronage by price alone—the cure is the thing desired by me or well as yourself. Even so, you will find the charge unusually low, taking into consideration the delicacy.

It will be in the interest of your eyes to have them examined.

And the whole family will enjoy the benefit of electric service that makes possible innumerable comforts and conveniences such as the electric toaster, flatiron, table grill and vacuum cleaner.

Let us explain the saving you can make by having your house wired now.
