Fish as Fertilizing Material.

The oldest industry to make use of waste for fertilizing is the fish industry. The custom of fertilizing crops with fish existed among the Indians of New England before the arrival of white settlers. It is said that for fertilizing corn one or two fish were buried in each hill. This procedure was adopted by the colonists, and at the time of a large catch the surplus fish were simply spread broadcast over the fields. In places where fish were plentiful this disposal of an oversupply of fish has been practical until very recent times.

SAFE, GENTLE REMEDY CLEANSSES YOUR KIDNEYS

For centuries GOLD MEDAL Haarlem Oil has been a standard household remedy for kidney, liver, bladder and stomach trouble, and all diseases connected with the urinary organs. The kidneys and bladder are the most important organs of the body. They are the filters, the purifiers of your blood. If the poisons which enter your system through the blood and stomach are not entirely thrown out by the kidneys and bladder, you are doomed.

Weariness, sleeplessness, nervousness, dependency, backache, stomach trouble, headache, pain in loins and lower abdomen, gall stones, gravel, difficulty when urinating, cloudy and bloody urine, rheumatism, sciatica and lumbago, all warn you to look after your kidneys and bladder. All these indicate some weakness of the kidneys or other organs or that the enemy microbes which are always present in your system have attacked your weak spots. GOLD MEDAL Haarlem Oil Capsules are what you need.

They are not a "patent medicine," nor a "new discovery." For 200 years they have been a standard household remedy. They are the pure, original imported Haarlem Oil your great grandmother used, and are perfectly harmless. The healing, soothing oil soaks into the cells and lining of the kidneys and through the bladder, driving out the poisonous germs. New life, fresh strength and health will come as you continue the treatment. When completely restored to your usual vigor, continue taking a capsule or two each day; they will keep you in condition and prevent a return of the disease.

Do not delay a minute. Delays are especially dangerous in kidney and bladder trouble. All druggists sell GOLD MEDAL Haarlem Oil Capsules. They will refund the money if not as represented. GOLD MEDAL Haarlem Oil Capsules are imported direct from the laboratories in Holland. They are prepared in correct quantity and convenient form, are easy to take and are positively guaranteed to give prompt relief. In three sealed packages. Ask for the original imported GOLD MEDAL. Acid-Stomach Ruins Health of Millions

Besides those painful attacks of indigestion; that awful bloated, lumpy feeling after eating and downright stomach misery that you who have experienced it know so well; besides disgusting belching, food-repeating, sour stomach and distressing heartburn—besides all this, ACID-STOMACH undermines the health and saps the strength of millions.

If you don't get rid of those stomach miseries there is no telling where your stomach troubles will end, for it is a well known scientific fact that many serious ailments have their start in an acid-stomach.

Start now—this very day—to get rid of your stomach miseries. Take EATONIC—the wonderful remedy that absorbs the excess acid from the stomach and brings INSTANT relief. You simply have no idea how much better, stronger and brighter you feel at once. It drives out all the gas and bloot, puts an immediate stop to belching and heartburn, ends stomach suffering and makes it cool, sweet, comfortable and strong.

There can be no further excuse for you to allow acid-stomach to wreck your health—pile up misery upon misery until you get to the point where you feel down and out and that life has lost all its joys. Remember, just as acid-stomach ruins teeth, so acid-stomach ruins health.

Take EATONIC. It's good, just like a bit of candy and makes the stomach feel fine.
