Red Cloud is the geographical center of the United States. Make it the center of attraction to all travelers passing through by keeping it clean and beautiful.
Earl Patten and the Misses Christine Caldwell, Fannie Miksch and Anna Schaffer attended the Christian Endeavor convention at Clay Center the last of the week.

THURSDAY, MAY 1, HAS BEEN APPOINTED AS CLEAN-UP DAY IN RED CLOUD. HELP A GOOD CAUSE ALONG BY CLEANING UP YOUR YARDS AND ALLEYS.

Hugo Krueger, of Adams county, and Miss Johanna M. Van Boening, of Government, were granted a marriage license by Judge Ranney on April 11th. The couple were married by Rev. Ernst.

The lecture on Bolshevism at the Christian church on last Sunday evening was heard by a large number of people. It created much interest and caused considerable comment throughout the city.

John Doyle departed for Denver, Colorado, Tuesday morning. He intends to spend some time in the city and surrounding territory and if it appears to him he will locate there permanently.

The Ninth District S. E. Convention, held at Clay Center last week, was well attended. Our delegates from here returned with great honors. They brought back the Banner and won three county offices. Earl Patten was appointed Vice President, Fannie Miksch elected Junior Department Superintendent and Christine Caldwell was re-elected. The C. E. are very proud of such fine results.

F. L. Browne, formerly of the Chief, departed for eastern points Monday morning, his exact destination being unknown to us. Before leaving he stated that he was bound for a town near St. Joe, to look over a newspaper proposition there, and if the same proved satisfactory he would locate at that point. Mrs. Browne and two daughters will remain here until the close of the present school term. During the time Mr. Browne resided here he made many friends in both business and social circles. While editing the Chief he proved himself to be an able newspaper man, giving its readers a paper that was right up to the standard. We wish him success wherever he may locate.
