The Cabinet Women Have Always Wanted

SELLERS KITCHEN CABINET

In this big, beautiful, truly modern Sellers "Mastercraft" all kinds of all women, we think, are covered. It marks the pinnacle of physical beauty, durability and convenience. Future long-needed improvements are here combined for the first time. No other cabinet has them all. And not a single one would you allow removed from your cabinet. The Automatic Lowering Floor Bin and the Automatic Base Shelf Extender are improvements which, when used with ever-lasting enthusiasm. Then there's the other white, enameled porcelain work-table, the rich, lustrous, all-

hand rubbed finish, the Anti-Flood system which prevents water from crawling up into the cabinet. We cannot begin to detail all the excellent features of this new Mastercraft model here.

We invite you to visit our store today or, any day this week to see it demonstrated. A Sellers Kitchen Cabinet is a convenience every woman should have and that any home can afford.
