Miss Abeline Parquar, daughter of Sam Parquar, passed away at the family home north of Guide Rock, Tuesday morning, after an illness of several months. The funeral services were held at the home this morning and interment was made in the Guide Rock cemetery.

Gus Nyberg, one of our prosperous farmers residing south of this city, surprised his many friends by taking onto himself a wife, the lady of his choice being Mrs. Myra Joy of this city. The marriage ceremony took place at the home of the bride, Sunday afternoon at two o'clock. Rev. J. D. Haunzel officiating. Only a few of the relatives were present. They will be at home to their friends on the Nyberg farm.

The joys of a visit with grandma was brought to a sudden termination by an accident which resulted in a broken arm, last Saturday. Little Miss Beniah Hawkins, daughter of Mr. and Mrs. Tom Hawkins, who reside on a farm northeast of the city had been visiting her grandmother, Mrs. Butler. She started down town on her roller skates and when near the Catholic church, lost her balance and fell on the walk, breaking her arm below the elbow. A physician was summoned at once and gave the little sufferer medical attention.

War Savings Before County Institutes

During the months of July, August and September the Nebraska War Savings Committee are sending representatives to the various County School Institute meetings to present the Treasury Department's policy and method of teaching Thrift in the schools during the coming year. The War Savings Stamps will be used as the medium of teaching Thrift. The Government feels this phase of the Thrift movement is extremely important and is making very thorough plans to insure its success.

When the Firemen Appear
The insured man's first thought is one of thankfulness that he is so. How about your thoughts if a fireman should appear at your home?

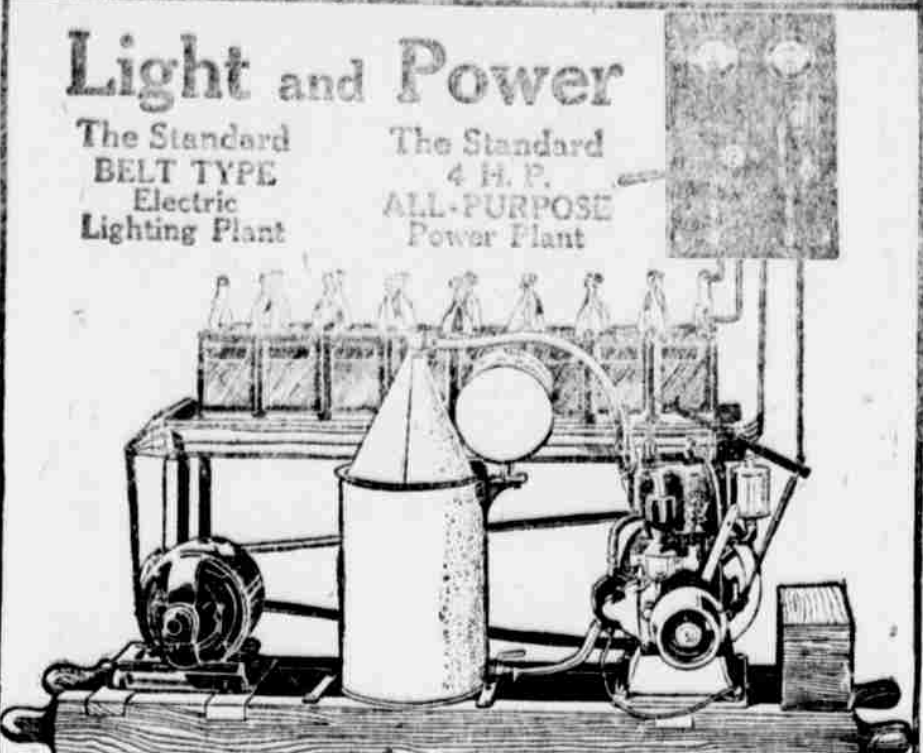

The Day Before the Fire
is the day to insure. At that day may be to-morrow for all you can know or do, it follows that prudence would impel you to stop in our office to-day and have us issue you a policy.

Cushman Does More Light Plant

Light and Power
The Standard BELT TYPE Electric Lighting Plant
The Standard 4 H. P. ALL-PURPOSE Power Plant

Why the Cushman "Does More"
It does more because it gives you both portable Light and portable Power in one plant, in the most compact, efficient and convenient form ever devised. It does more because there is less vibration with a belted outfit like the Cushman, and consequently less adjustments, repairs and service required. It does more because every part is get-at-able. It is not necessary to "tear down" the plant to correct any trouble. It does more because the same engine—the 4 H. P. Cushman All-Purpose Engine—may be used for work all over the farm, or be attached to binder, potato digger, corn binder or other machines. It does more because other machinery may be run from clutch pulley of engine at the same time the batteries are being charged by belt from fly-wheel side of engine. It is the most flexible outfit.

The Cushman Self-Starters
permits the Cushman Plant to be started, stopped and operated by a woman or child. It is the only starter that automatically releases engine compression and turns on and off oil. Engine started from switchboard, by pushing a button. We have a Cushman "Does More" Light Plant ready for demonstration. Please call and see it.

UNITED STATES RAILROAD ADMINISTRATION

The National Parks

With All Their Wonders Are Yours

YELLOWSTONE
The land of geysers, painted canyons, forests and waterfalls—you can tour grand old Yellowstone in automobiles, either via the Cody Way or Gardiner or Yellowstone entrances. Through sleepers, hotel and camp accommodations as usual. You can go direct or via Scenic Colorado or Rocky Mountain National-Estes Park.

Rocky Mountain-Estes Park
Colorado's beautiful vacation land, just north of Denver, the summer playgrounds of fifty thousand tourists. You can reach Denver in the morning and be in the Park at noon.

GLACIER

Magnificent Glacier Park—the climax of the Rockies' rugged grandeur is open to tourists. Through sleepers to the Park entrance. Tickets either direct or via Denver. Scenic Colorado, with Rocky Mountain National-Estes and Yellowstone Parks en route—THREE PARKS ON ONE TICKET.

Ask your local ticket agent to help you plan your trip and furnish you with descriptive booklets of points in which you are interested.

PRINCE ALBERT

SAY, you'll have a streak of smokeluck that'll put pep-in-your-smokemotor, all right, if you'll ring-in with a jimmy pipe or cigarette papers and nail some Prince Albert for packing!

Just between ourselves, you never will wise-up to high-spot-smoke-joy until you can call a pipe by its first name, then, to hit the peak-of-pleasure you land square on that two-fisted-man-tobacco, Prince Albert!

Well, sir, you'll be so all-fired happy you'll want to get a photograph of yourself breezing up the pike with your smokethrotide wide open! Talk about smoke-sport! Quality makes Prince Albert so appealing all along the smoke line. Men who never before could smoke a pipe and men who've smoked pipes for years all testify to the delight it hands out! P. A. can't bite or parch! Both are cut out by our exclusive patented process!

Right now while the going's good you get out your old jimmy pipe or the papers and land on some P. A. for what ails your particular smokeappetite!

You buy Prince Albert everywhere tobacco is sold. Toppo red bags, tidy red tins, handsome pound and half pound tin humidors—and that classy, practical pound crystal glass humidor with sponge moistener that keeps the tobacco in such perfect condition.
