

HOW RHEUMATISM BEGINS

The excruciating agonies of rheumatism are usually the result of failure of the kidneys to expel poisons from the system. If the irritation of these uric acid crystals is allowed to continue, incurable bladder or kidney disease may result. Attend to it at once. Don't resort to temporary relief. The sick kidneys must be restored to health by the use of some sterling remedy which will prevent a return of the disease.

Get some **GOLD MEDAL Haarlem Oil Capsules** immediately. They have brought back the joys of life to countless thousands of sufferers from rheumatism, lame back, lumbago, sciatica, gall stones, gravel and other affections of the kidneys, liver, stomach, bladder and allied organs.

They will attack the poisons at once, clear out the kidneys and urinary tract and the soothing healing oils and herbs will restore the inflamed tissues and organs to normal health.

All others are imitations. Ask for **GOLD MEDAL**, and be sure the name **GOLD MEDAL** is on the box. Three sizes, at all good druggists.—Adv.
