Agent for Ladies Home Journal Patterns
All Sizes in Childrens Half Sox

Webster County Teachers Institute This Week

The Webster County Teachers' Institute is being held in the Red Cloud High School Building this week—August 18th to 23rd. About ninety teachers are registered.

Following is the program and the instructors in the various subjects:

Picture Study, Methods in Arithmetics, Local Geography and History, Social and Civic Work, O. W. Neal of Steven Point, Wisconsin.

Rural School Problems and Round Table for Beginners, P. M. Whitehead of Red Cloud.

Primary Reading and Language Stories and Games, Primary Round Table, Charlotte Lowe of Lincoln.

Drawing and Penmanship, C. E. Avis of Chicago, Illinois; and Health Lectures by Mrs. L. O. Middleton of Lincoln.

County Superintendent Ducker is to be complimented on such a fine selection of instructors and it is needless to say that a great amount of good will be accomplished along educational lines, through our teachers having had the opportunity to associate themselves with these learned people. More attention is being given to the rural school each year. More care is being exercised in the selection and instruction of its teachers and every opportunity is being given them to advance themselves in their work.

Aside from the educational program arranged by Miss Ducker a very pleasing entertainment program had been arranged. The opening exercises included a patriotic selection by Miss Helen Lemon, several appropriate songs by Miss Elizabeth Overman, a violin solo by Mrs. Dave Britton with piano accompaniment by Miss Jessie Crabbill, a reading by Miss Mildred Mercer, a popular song by Lloyd Barker, instrumental solos by Mrs. Howard Fox and vocal solos by Glen Walker, all of which were greatly appreciated by the teachers.

Tuesday evening an informal reception was given the teachers and instructors in the music room of the school building and during that time the cares and worries of school work was laid aside in order that every one might partake of the pleasures of the evening. Refreshments were served during the evening.

Busy Days for Rev. Hammel

The last six days have been unusually busy ones for Rev. J. D. Hammel. Aside from his regular duties as pastor of the M. E. church he was called upon to perform four marriage ceremonies. On Saturday George C. Reed of University Place and Miss Florence K. Vollers of Guide Rock appeared before the Reverend gentleman and requested him to make them man and wife, which he did. The next couple to hear the solemn words which united their destinies for life on Tuesday evening was Thomas Cartwright of Wray Colo., and Miss Ada E. Morris of Jerome, Idaho. Wednesday morning he performed another ceremony in which Lloyd W. Dunn and Miss Montana M. Williams, both of Superior, were the contracting parties. In the afternoon Forest D. Korbaugh of Bellaire, Kas., and Miss Lela M. Story of Lebanon, Kas., were married.

Surprise Father Fitzgerald

A surprise party was given Father Fitzgerald, at the home of Mr. and Mrs. D. L. Williams, Friday evening, it being the thirty-sixth anniversary of his ordination into the priesthood. About fifty were present. Ice cream and cake were served. He was presented with a beautiful Axminster rug and a purse of \$65. Mrs. Dougherty, a sister of Father Fitzgerald and a nephew were the out of town guests.

BAPTIST CHURCH NOTES

Sunday School 10 a. m.
Preaching at the usual hours, 11 a. m. and 8 p. m.
Would be pleased to have all who do not attend services elsewhere, to worship with us.
V. M. HARPER, Pastor.

Postoffice Will Take Orders for Army Foodstuffs

All requisitions for food supplies must be accompanied with cash; either money order or bank draft.

Postmasters may accept orders and cash from one individual representing a group of consumers. In such cases the foodstuffs will be delivered to the individual who orders and pays for them.

All orders must be submitted on written form.

Each office has been allotted a certain amount of foodstuffs, orders will be refused after the allotments have been exhausted, orders will be filed and delivered in the order they are received.

The prices quoted are the unit cost to the consumer, to which must be added postage at the parcel-post rate on the total gross weight of the order from the zone Surplus Office, which in this case is Omaha, Neb., which is located in the third zone from Red Cloud. The rates are 6 cents for the first pound and 2 cents for each additional pound.

Farmers Union Holds Picnic

The Shipman grove, about ten miles southeast of this city, was a lively place last Thursday, it being the scene of action of the big farmers picnic given by Farmers Union Local No. 218. It was an all day affair, a real old time get-together day for the farmers and their friends. Evidently the entertainment committee had been on the job every minute previous to the day set for the picnic as a very pleasing program had been arranged which included, speaking, songs, readings, facts, base ball games, etc. The first number on the program, following the prayer by Rev. Harjo was a reading by Col. Frank L. Mosker, one of the boys who had spent eight months in the trenches over there. This was followed by an address by H. G. Keeney, President of the Cowles Union, in which he entered into the merits of the Union, the work that had been accomplished and its plans for the future. Rev. J. L. Beebe uttered many words of wisdom concerning "The Profiteer", in the short time he had the platform. A number from Red Cloud attended the picnic.

Goble-Cramer Nuptials

A wedding was solemnized Thursday evening, August 14, at the home of Mr. and Mrs. Elias Goble, when their daughter, Miss Ruby, became the bride of Mr. Howard Cramer, Rev. Clarence Eshelman of Wichita, Kan., officiating. Only immediate relatives of the bridal couple were present.

The bride is one of our popular young ladies, having a host of friends in this community. She is a graduate of the local high school, and had been an instructor in the public schools of the county.

The groom is a son Mrs. W. B. Cramer. He attended the Red Cloud High School, after which he held a responsible position in the store of F. G. Turure and Son, later assuming the management of his mother's farm near Bladen.

After the ceremony a delicious wedding supper was served.

They will be at home to their many friends at their farm home near Bladen.

Let Contract for Road Work

At a meeting of the board of Supervisors held at Hastings last Thursday morning the contract for the grading and construction of the Hastings-Ayr state and federal aid road was let. In the afternoon the supervisors took into consideration the Ayr-Red Cloud project. Contracts for same must be completed by July 20, 1920. They will begin grading about the middle of September. Among the many who attended the meeting were Commissioner W. H. Thomas and Geo. H. Overing, county road commissioner for this county. G. W. Condon of Omaha was awarded the contract for Webster county's portion of this road project.

"The Cabinet Sold My Wife The Music Then Sold Me"

A NEW EDISON OWNER WAS SPEAKING
"You see, Alice is a furniture 'fan', is interested in interior decoration—knows all the periods and the careers of the famous designers.

"What a beautiful Sheraton piece, she exclaimed, as we passed the store window. Note the rich tints of the mahogany; the perfect proportions.

"We entered.
"She raved about the classic purity of the period models. Then we listened to the instrument. That got me.

"I don't doubt the salesman's claim about the tone test—that no one can tell the artist from the instrument when they're pitted against each other. He said it cost \$1,000,000 to perfect the New Edison. Anyhow that's the story of how we happened to buy. And I'm certainly a booster."

If you enjoy beautiful furniture you'll want to see the New Edison period cabinets we're now displaying.

The Cowden-Kaley Clothing Co.
ALWAYS RELIABLE

The annual convention of the Webster County W. C. T. U. met in Guide Rock, Monday, August 18th. The Unions of Cowles, Inavale, Indian Creek, Guide Rock and Red Cloud gave good reports of their year's work and hope to do more the coming year. To help further World Prohibition, Americanization of foreign people, the Cause of Woman in Industry and to Promote Child Welfare is their aim. A National Superintendent of Scientific Temperance Instruction was present and aided largely to the success of the meeting. The Unions of Bladen, Blue Hill and New Virginia were unable to be present.

The hum of the threshing machine can be heard daily no matter which road you may traverse in or out of Red Cloud. While the dry weather may have a tendency to put a crimp in the development of corn it has been ideal for threshing. The yield is not of the best but is better than was thought before threshing began. The farmers are busy hauling it to the various elevators. To date the Farmers Union elevator has shipped out thirty-five cars.
Messrs. S. C. Dickson and J. C. Myers went to Superior this morning to attend a Christian church convention.
