CHEAP CORN AND WHEAT LAND

Come in and have a talk with me about Colorado land, as I have just formed a connection with the Wayne Investment Company of Cheyenne Wells, Colorado, who own the land they sell. They own several thousand acres of land near Cheyenne Wells, also a bank at Cheyenne Wells, and one at Arapahoe, Cheyenne county, Colorado. This will assure you of buying land at a reasonable price, and not allowing some agent to tack on five or ten dollars more per acre than the land can be bought for. They have just harvested 25 to 30 bushels of wheat. This is the fourth year of good crops. Prices range from twenty to forty dollars per acre, according to location. Titles approved and abstracts up to date on all land owned by this company.

OWN YOUR OWN HOME

Have just listed a good house, six rooms with bath, all modern except heat, full basement and chimney to bottom of cellar arranged for furnace. Price, \$1,900.00 Terms, \$500.00 cash, and balance in monthly payments.

Farm Bureau Notes

ATTEND THE FAIRS

The season of Fairs, both county and state, is again upon us. It is a season planned primarily for the benefit of farmers and stock men; a season arranged to give all those vitally interested in agriculture, an opportunity to exchange ideas and to get new and better thoughts; a season designed to give the rural people a chance to see what is best in making farming more prosperous and permanent.

Organization is the base of all industry, but in no branch of the industrial world has it made itself more keenly felt than in farming. And County and State Fairs have contributed a big share in impressing the fact that there are constantly increasing opportunities in farm life. Many inspirations for better crops, better live stock, better farm products, and better education have been obtained at these regular annual events and each year new ones are offered.

For visitors, the Fair offers both entertainment and education. There are still too many cheap and vulgar amusements to take up the time of the young folks, but they are on the decrease and judging from the growing sentiment against them, the time will not be very far distant when nothing but clean, wholesome amusement will be tolerated at our Public Fairs.

For exhibitors, the Fair forms in their minds, new ideas of their products; it acts as a guide to lead them more nearly in the right path in their future activities, for it is next to impossible for any man to achieve success, unless he is willing to adopt others' ideas such as are gathered at public exhibitions of this kind.

The farmer owes much to the Fairs. Without them he loses sight of what is best in the work he has chosen to follow. In plainer words, he "gets behind the times," and this no farmer who is really anxious to get ahead can afford to do.

ATTEND THE FAIRS

It will pay from a money-making standpoint.

"THE NEW-NEBRASKA FEDERATION"

You are solicited and urged to become a member of the Federation:

WHY?

Because it is the only body of men in the state standing together in defense of all the people—high or low—and of ALL PROPERTY—big and little—and against all "class" legislation and all state socialism, in the framing of a NEW CONSTITUTION for Nebraska.

AND—

Because it must be supported by the interest and contributions of the every-day plain people to live and continue the battle. It has no "endowment" on which to rely. Numbers have already shown their appreciation of the work the Federation has undertaken by taking a membership and contributing.

WHY NOT YOU?

Whether you have a home, a farm, a job, a shop, a store or a profession, you are vitally interested in a square deal for all as against advantage to be given to any "class" of the people.

MEMBERSHIP—3 CLASSES:
