### Club Will Purchase Grader And Work the Roads

Monday afternoon Commissioner Walsh, of Inavale, and F. W. Gooden, W. L. Weesner, W. G. Hamilton and F. E. Maurer, a committee appointed by the Commercial club, went out and looked over the road running south from the river bridge to the Kansas line, and they state that the road is in a deplorable condition. Mr. Walsh informed them that the money to his road district had all been used, and consequently, he could do nothing to better condition. The members of the Home Guard have decided to use their funds to purchase a grader and we understand the county will buy it next year. After the grader arrives the Club will hire men to work the road and keep it in a condition so that the people may travel over it readily at all times.

### Area of Guide Rock Enlarged

Friday, October 10, was another great day in the history of Guide Rock when the annexation suit in the district court was decided in favor of the village by Judge Harry Dungan. Perhaps the above is somewhat misleading when we say the suit was decided entirely in favor of the village for the Holz strip on the west and the Messinger strip on the south were thrown out. However, the entire block east of Minnie Creek known as East Guide Rock is now a part of the corporation. The boundary line now extends due east from the high school building to the George Yung farm, thence south to the railroad track. We believe most everyone is pretty well satisfied with the situation as it now stands. The Holz and Messinger strips are both practically farm lands, neither of which have ever been used for anything else, and perhaps never will be while they are owned by the present owners.

We welcome our new neighbors on the east. We are glad they are now a part of the town and will have a voice in the city management. When the new addition is laid out in streets and alleys and the entire town is lighted up with electricity, Guide Rock will be one of the most attractive little cities in the Republican valley, and we believe, when all this is accomplished, that those who opposed the annexation will be really glad they are inside the corporation.—Guide Rock Signal.

### Former Editor of The Chief Died in California

We are in receipt of The Grant County Vidette, published at Pond Creek, Oklahoma, formerly owned and edited by M. L. Thomas, veteran editor at one time in charge of the Chief at this place, which contains the following account of his passing: Last week this paper told briefly of the sudden death of M. L. Thomas, a veteran newspaper man of the Middle West, who with his wife, had arrived two days before from their Oklahoma home with a view of spending the winter in Alhambra at the home of their daughter, Mrs. Earl Grimes, at 30 South Granada. His death took place Friday morning.

Mr. Thomas was a native of Ohio, having been born at Marietta, March 21, 1859, and consequently was in his 71st year.

He was one of the early pioneers of Nebraska, going to that state more than fifty years ago and was well known in that section of the country, particularly in newspaper and political circles.

Mr. Thomas was for forty two years actively engaged in journalistic work during the stirring period of development in the Middle West and counted among his friends and associates such well known men as Bill Nye, Eugene Field, Walt Mason, William Grant Allen and others.

His newspaper activities carried him to many points in Nebraska, and for some time he was connected with the Nebraska State Journal and the Daily Sun at Lincoln. Other points in Nebraska where he owned and edited papers were as follows: The Chief at Red Cloud, The Journal at Plattsmouth, the Republican at Holdrege, and the Republican at Berkleman.

Later Mr. Thomas moved to Yuma, Colorado, where he was editor and owner of the Pioneer.

Some twenty-four years ago he went to Pond Creek, Oklahoma, where during the intervening years he was publisher of the Grant County Vidette. He was also postmaster there for eight years under the Roosevelt and Taft administrations.

Mr. Thomas is survived by a widow, three sons and a daughter, all of whom were here for the burial.

A. L. Thomas, the oldest son, is in the printing business in Kansas City, Missouri. The second son, Roy W. Thomas, is engaged in the lumber industry at Everett, Washington, and Larue Thomas, the youngest son lives at Pond Creek, where he was associated with his father in newspaper work and where he will continue as publisher of the Vidette.

The daughter, Mrs. Grimes, recently came to Alhambra, and her husband, Earl Grimes, is cashier of the Lamanda Park Bank. The widow will remain here for the present with her daughter.

The funeral service was held Tuesday afternoon at 3 o'clock at the Turner parlors under the auspices of the Alhambra Elks lodge, of which order the deceased was a member, and the ritual was read by Exalted Ruler H. S. Farrell. Burial took place in Los Angeles at the Hollywood Mausoleum.—Alhambra Federated News, Alhambra, California.
