WAR RECORD OF LEVIATHAN

Monster Transport Carried Many Thousands of Soldiers to French Ports.

The giant transport Leviathan, following her arrival in New York harbor with Gen. Pershing and troops of the First division, brought to a close her important service in helping win the war. The big ship, after being refitted for passenger service, is to be turned back to the United States shipping board, the agency which seized it when the United States entered the war. While the future of the ship is uncertain, it is reported that she will be assigned to American passenger trade between New York and Liverpool, with possible extension in the future of a service to Hamburg.

The Leviathan, formerly the Vaterland, the second largest ship in the world, was interned in New York by the Germans in 1914. She was "wfully damaged" to the extent of more than \$1,000,000. After being reconditioned by American engineers, she was assigned as a transport, and during and since the war made 19 round trips on the Atlantic, carrying a total of 185,500 soldiers, of whom 98,321 were carried overseas through submarine-infested seas. She was always a mark for U-boats, but her speed and the armament with which she was equipped saved her.

HALEY'S COMET 61 YEARS AGO

Is Same Terrific Wanderer in Space That Has Appeared Down the Ages.

The world was up all night September 12, 1910. Haley's comet blazed across the roof of the world. This "great comet," whose revolution occupied 292 years, was first seen in August, 1835, by a gentleman in Altona, but Haley's comet, named after the astronomer who calculated its progress, is the same terrific wanderer in depths of space that has appeared down the ages, and to which successive names have been given—Bela's comet, Donati's comet, etc. From the records of history it seems that the comet appears to foretell some world disaster. It appeared before the fall of Jerusalem under Titus; in the reign of Louis the Debonair, 837, and the king died shortly after; it appeared before the death of Caesar, 43 B. C. Again it appeared three years after the capture of Constantinople by the Turks, 1453. It appeared in 1861, just before the Civil war, and in 1910, before the great war.

What is a comet? It is a member of the solar republic—a hirsute star, a vagabond orb, that travels at almost incalculable speed, whose tail is fifty-five million miles long—who approaches the sun, not to be consumed in it, but to draw from that radiant source the energy necessary for its future travels in the unknown abysses of the firmament. It has its own orbit which it follows. What mind dare follow that?

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL LESSON

(By REV. P. E. FITZWATER, D. D., Teacher of English Bible in the Moody Bible Institute of Chicago.)

LESSON FOR OCTOBER 26

A LESSON IN TRUST.

LESSON TEXT—Matt. 14:22-33. GOLDEN TEXT—1 believe; help thou mine unbelief.—Mark 9:24. ADDITIONAL MATERIAL—Mark 5:22-24, 30-45; Luke 12:18-22. PRIMARY TOPIC—Help in the storm. JUNIOR TOPIC—Jesus comes to the help of his disciples. INTERMEDIATE TOPIC—Help when most needed. SENIOR AND ADULT TOPIC—An ever-present helper.

The storm-tossed disciples on the sea at night is an example of the struggling followers of the Lord in the darkness of the present age, as they are tossed by the tempests of the evil one.

1. The Disciples on the Storm-tossed Sea (vv. 22-24).

1. They were sent across the sea by Christ (v. 22). Doubtless his reason for this was to keep them from entanglement in the movements of the people to make him king, for in John 6:14, 15 it is shown that the people were so excited by the feeding of the five thousand that they were about to make him king by force. Though they were somewhat unwilling to go, it was a mercy for him to constrain them.

2. Christ dismissed the multitude (v. 22). This may be taken as typical of his rejection of the nation whose rulers had already rejected him.

3. Christ praying alone in the mountain (v. 23). Temptation to earthly honor and power had come to him, therefore he went to the Father in prayer for relief and strength. The need of prayer is greatest at such times. While his prayer was in part for himself, yet it was for his disciples. According to Mark 6:48, he saw from the mountain top the disciples toiling on the storm-tossed sea. We are never out of his sight as we struggle against the storms of life, and he ever lives to make intercession for us.

II. Jesus Walking on the Sea (vv. 25-27).

1. It was in the fourth watch of the night (v. 25). He did not come to them immediately, but waited till almost dawn. It was, however, the darkest part of the night, and physical danger was great, but their perplexity of mind was greater. They knew that the Lord had sent them, but why should they be in such straits if he sent them? A stormy sea is no evidence that we are not in the Lord's appointed way. The disciples' concern should be to obey the commands of the Lord, being assured that while doing his will he will protect them.

2. The disciples alarmed at his coming (v. 26). It was the coming of their best friend to deliver them from danger. He comes to us today in such ways that sometimes we are affrighted.

3. Jesus' words of comfort and good cheer (v. 27). In the midst of their distress they heard the Master's words, "Be of good cheer; it is I, be not afraid." This changed their fear into joy.

III. Peter's Venture and Failure (vv. 28-33).

As soon as Peter recognized the voice of Jesus he cried, "Bid me come to thee on the water." Jesus said, "Come." Peter obeyed, and for a time he walked upon the waves without sinking. His simple faith linked him with divine power and he was upheld; but as soon as he took his eyes off his Lord and considered the raging sea he began to sink. If we will but keep our eyes on the Lord instead of the waves we can outride the storms of life. When Peter began to sink, he did the sensible thing; he cried to the Lord for help. Jesus reached forth his hand and saved him. He has never lost one who honestly cried for help. When Jesus entered the ship the wind ceased. The people worshiped him as the Son of God. No ship can go down with Jesus on board.

Hath Not Where to Lay His Head.

People are to be pitied who have no home. John Howard Payne in Paris, homeless and miserable, uttered the universal longing of the human heart when in a cold and dreary garret he wrote the words of "Home, Sweet Home." There are many people in the world who are driven from pillar to post, and who can say of no spot on earth, "This is my home." Think particularly of him who had come from his Father's House to this inhospitable earth and who said, "The foxes have holes, and the birds of the air have nests, but the Son of Man hath not where to lay his head."

Sublime Sentiment.

"Beware," said Lavater, "of him who hates the laugh of a child." "I love God and little children," was the simple yet sublime sentiment of Richter.—Mrs. Sigourney.

The Heart of the Believer.

The heart of the believer is the home of God. The church of the Lord Jesus is his holy temple. He dwells here by his Holy Spirit, and makes known through the church, to the principalities and the powers in the heavenly places, his manifold wisdom. This is a superlative honor. It brings with a supreme obligation.

One thing at a Time. The shortest way to do many things is to do only one thing at a time.—Cecil.

Greater Than Trafalgar.

Trafalgar was the last great fight of sailing vessels and a fitting close to a heroic era in the history of naval war, for it gave England the mastery of the seas. Long before this, however, there occurred the greatest event in the history of sailing vessels—the departure from Spain of the Santa Maria, with the Nina and the Pinta—the epoch-making fleet of Columbus.

If Constipated, Bilious or Headachy, take "Cascarets"

Sick headache, biliousness, coated tongue, or sour, gassy stomach—always trace this to torpid liver; delayed, fermenting food in the bowels.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissues it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep.—Adv.

Honest Advertising.

THIS is a topic we all hear now-a-days because so many people are inclined to exaggerate. Yet has any physician told you that we claimed unreasonable remedial properties for Fletcher's Castoria? Just ask them. We won't answer it ourselves, we know what the answer will be.

That it has all the virtues to-day that was claimed for it in its early days is to be found in its increased use, the recommendation by prominent physicians, and our assurance that its standard will be maintained.

Imitations are to be found in some stores and only because of the Castoria that Mr. Fletcher created. But it is not the genuine Castoria that Mr. Fletcher Honestly advertised, Honestly placed before the public and from which he Honestly expects to receive his reward.

Children Cry For

Special Care of Baby.

That Baby should have a bed of its own all are agreed. Yet it is more reasonable for an infant to sleep with grown-ups than to use a man's medicine in an attempt to regulate the delicate organism of that same infant. Either practice is to be shunned. Neither would be tolerated by specialists in children's diseases.

Your Physician will tell you that Baby's medicine must be prepared with even greater care than Baby's food.

A Baby's stomach when in good health is too often disarranged by improper food. Could you for a moment, then, think of giving to your ailing child anything but a medicine especially prepared for Infants and Children? Don't be deceived.

Make a mental note of this:—It is important, Mothers, that you should remember that to function well, the digestive organs of your Baby must receive special care. No Baby is so abnormal that the desired results may be had from the use of medicines primarily prepared for grown-ups.
