Groceries That Satisfy

*In Quality
and Price!*

That's the kind you'll find in our store

We don't consume large amounts of ad space,
spasmodically, telling you about big bargains in
special lines--sold at and below cost--because
every merchant must derive a certain percent of
profit on the goods he sells if he expects to pay
interest on his investment and remain in business.

During our many years in the grocery business
we have found that the average customer pre-
fers high quality groceries at honest prices to
inferior brands at "below cost" price.

Our guarantee of satisfaction stands behind the
merchandise we sell. You take no chances
when you trade with us.
