The Geason Studio

Groceries That Satisfy

In Quality and Price!

That's the kind you'll find in our store
We don't consume large amounts of ad space, spasmodically, telling you about big bargains in special lines—sold at and below cost—because every merchant must derive a certain percent of profit on the goods he sells if he expects to pay interest on his investment and remain in business.
During our many years in the grocery business we have found that the average customer prefers high quality groceries at honest prices to inferior brands at "below cost" price.
Our guarantee of satisfaction stands behind the merchandise we sell. You take no chances when you trade with us.

Will Give Three Operettas

The Red Cloud schools will give three operettas during the week of May 15th in the Besse Auditorium. The students have been working diligently on the plays for the past two months, under the direction of their teachers and Miss Owen, who is the music-director. Miss Overman is in charge of the stage. The proceeds will be used to purchase a piano for the Lincoln school building.

The High School chorus will give "Pauline", Sixth grade "Polished Pebbles" and the lower grades "The Brownie Band in Fairyland."

The people should attend these entertainments, as this will enable them to see just what progress their children are making and also help a cause which deserves their support.

Harriette Hossey

The untimely demise of Harriette Hossey being pain and sadness not alone to the hearts of her parents and immediate relatives but also to many friends in this community. Being of an affectionate nature she won the respect and admiration of all with whom she came in contact.

She had been taken to a hospital in Hastings, about a week ago for an operation for the removal of her tonsils. She failed to recover from its effects and her soul passed to its maker last Monday.

The remains were brought to this city Monday evening and the funeral was held Wednesday afternoon at 3 o'clock in charge of Rev. Mary Mitchell. Interment was made in the city cemetery.

Robert A. Wilson

Robert A. Wilson, one of the most highly respected pioneer citizens of this community passed away, at his home in the southwest part of the city Friday morning. He had been in failing health since the death of his wife last June, which rendered him unable to survive a recent attack of pneumonia.

The deceased was born in Indiana, November 19, 1846. He served throughout the period of the Civil war and proved himself to be an able defender of the cause for which he served.

He was united in marriage with Mary Jane Henderson, December 1, 1867. To this union were born two sons, Ruben and John A. and one daughter, Mrs. Martha M. Diederick. The son, Ruben, died in infancy and Mrs. Diederick passed away May 22, 1916. His son, John, now residing at Sargent, and three grand children, Marie, Ray and Clifford Diederick survive him.

Funeral services were conducted from the Anselm mortuary, Saturday, in charge of Rev. B. N. Eshelman. Interment was made in the city cemetery.

ANN ELIZA COTTING

Ann Eliza Cotting was born in Bristol, Wisconsin, April 17th, 1844. In Bristol she was a member of the Methodist church and very active in church and Sunday School work.

As a young woman she taught in the public schools for a number of years until she was needed at home to care for her father and mother to whom she was a faithful, devoted daughter as long as they lived. Her only sister passed away leaving two young children to whom she gave a home.

She came to Red Cloud in 1907 to make her home with her brother, Charles L. Cotting, and also has made a home for him. In this city she united with the Congregational church and took the same active interest in the church and Sunday School work that marked her affiliation with the church in Bristol.

Her passing leaves vacant the presidency of the W. C. T. U. of Red Cloud, which position she has filled for many years and the treasuryship of the Congregational church, also leaves a Sunday School class without a teacher. She was interested in the world work and outlook and an earnest worker in the cause of Woman's Suffrage.

She leaves her brother, Charles L. Cotting, three nieces, Mrs. Florence Mitchell, Mrs. Jennie Platt and Mrs. May Cheney of Wyoming, also two nephews, Edgar L. Cotting of Citronelle, Alabama and Charles W. Sanborn of Elgin, Illinois.

PURCHASE HEREFORD HEIFERS FOR CALF CLUB

Frank Bean, local Hereford Breeder and County Agent Fausch returned from Kansas City, Monday where they purchased 31 head of Hereford Heifers to be used in this year's Calf Club. These Heifers were purchased from Wallace Good, Leading Hereford Breeder in Missouri. These Heifers are mostly Anxiety Breeding. They will be shipped in and distributed the latter part of April, to the boys and girls who have made applications for same. To date 27 applications have come in for Hereford Calves. This leaves four more Calves to be placed.

Any one interested should get in their application. Hereford Breeders Association is offering \$50.00 to County Champion, and Mr. Good is interested in the Boys and Girls Calf Club and is giving \$50.00 to be used as premium money.

Noted Artist at Auditorium

The formal opening of Red Cloud's better than \$100,000.00 Besse Auditorium will, as announced by the committee in charge, take place on Monday evening, May 3rd. The attraction offered for the opening night is Frieda Hempel, the noted Metropolitan Opera Prima Donna, who stands among the foremost artists of all time in her double conquest of the operatic and the concert stage. Frieda Hempel is now at the pinnacle of her vocal fame and for some time past has been one of the artists, whose art has been re-created for both Edison and Victor records. Her glorious vocal equipment, exquisite tonal colorings, fine musical intelligence, flawless style and fascinating personality have won for her her enviable position of leading soprano at the Metropolitan Opera House and have made her a lasting figure in the operatic and concert world. Her career has been brilliant, with successes both in America and the Old World, where she has sang in most of the European opera houses. She has the distinction of being the only woman upon whom the Belgian Officers' Cross of the Order of Leopold has been bestowed.

The distinguished critic, Mr. H. T. Parker of the Boston Transcript, has paid this tribute to Miss Hempel: "Not one of her present contemporaries in America has a voice so rich and smooth of body, so lustrous, so ample from beginning to end of its range. The ornaments of song spring from her lips in a kind of splendor that not another singer of our time may now attain." While other well-known music critics have said: "Here is recognized as a supreme voice of its type," and "She is the most richly endowed soprano in America."

The Frieda Hempel Concert Company, besides Miss Hempel, consists of Conrad V. Bos, a Hollander—the dutch pianist and August Rodeman, first flutist of the Philadelphia Symphony Orchestra and the local committee in charge are to be congratulated upon the wisdom and ability displayed in securing such a noted attraction for the formal opening.—Monday's Advertiser.

To Our Patrons

You will note that this week's issue of The Chief is shy on news and also does not contain the regular weekly installment of the serial story. This is due to the fact that "the force" have been devoting their entire time to the printing of the ballots for Tuesday's primary election. A limited time allowed by law to accomplish this task makes it necessary to let other matters "slip" in order to get out the ballots—a complete sample of which appears in this issue. The serial story will be published next week.

Frank Cowden plays "Nick" in Polished Pebbles.

We are going to Fairyland the week of May 31 to see the Brownie Band. The Lincoln grade school needs a piano and the children will appreciate it if you will attend their three plays.

DID YOU SAY— "Not Just Now"

Perhaps you were thinking of when you can pay for a New Edison.

Then know that Thomas A. Edison has made ample provision on this point. His instructions to us are:

Everyone who wants a New Edison must be given every reasonable opportunity to have it.

To this end, we arrange the payments according to your own convenience.!

The NEW EDISON

"The Phonograph with a Soul"

This plan solves your question, does it not? Come in and tell us how you'd like to pay for a New Edison.
