First Photo Play at the Auditorium Next Week

The new equipment for the Besse Auditorium has arrived and the manager, G. L. Atkins is having the same installed. This equipment includes the very latest screens and two late model picture machines. Mr. Atkins states that they are the very best to be had and all the equipment is an exact duplicate of what is used in the theaters of Chicago and New York.

He expects to have all details finished and ready for opening, Tuesday, June 1st. "Soldiers of Fortune," a big special feature, is the picture that has been selected for the opening engagement.

Judge Dungan, of Hastings, was in the city Saturday morning and held a special term of district court at which time the following cases were up for hearing: Wm. H. Cloud vs Don Cloud et al, confirmation of sale, deed ordered and distribution awarded in accordance with decree of partition; Clara Peters vs Elizabeth Peters et al, sale confirmed, deed ordered and distribution awarded in accordance with decree of partition;

Red Cloud to Celebrate

At a meeting of the Chamber of Commerce held Tuesday evening plans for a Fourth of July celebration were discussed and it was decided that Red Cloud would observe that great day.

The entertainment committee of this club will be in charge of the making of all arrangements, and this matter will be given publicity in the newspapers.

Now is the time for everyone to lay their plans. Make arrangements to be with us that day, as a cordial invitation is extended to all.

To Our Subscribers

On and after the 10th day of June the subscription price of The Red Cloud Chief will be \$2.00 per year payable in advance. The ever increasing cost of producing a newspaper—labor, ink, paper, type, etc.—makes it necessary for us to make this additional charge of 50c per year. The Western Newspaper Union has twice in the past eight months raised the price of stock and ready prints, with the third raise scheduled for the first of June. Although material and paper has doubled in cost, and in some cases trebled we are making an attempt to meet this raise with only a fifty cent increase in subscription price.

Win Both Games

Red Cloud base ball fans had a pretty fair sample of what the local team can produce on the diamond when they really settle down to the game in earnest, as last Sunday they played a double header and were victorious in both games.

They met the Bangert Bros. nine on the local field and trimmed them 9 to 4 in a seven-inning game, and the way they were going at the finish would in all probability have resulted in a much higher score if the regulation nine inning game had been played. They were obliged to cut the game short owing to their opponents failing to reach here on time—and a game being scheduled for four bells at Riverton.

Herzog was on the mound and ably demonstrated that his sense of touch was as keen on the "pill" as it is on the ivories of a baby grand piano. Hardin of Lebanon took everything that passed the batter—as all good catchers should.

A jaunt to Riverton in a car acted as a stimulant on the boys and when the game came to a close there the score was 10 to 6 in Red Cloud's favor. Dahms pitched this game with Hardin catching.

While Lebanon may not be very enthusiastic over Hardin's style of taking them off the end of the bat, base ball fans in this vicinity class him among the good ones and we hope to see him again adorned with the mit and mask.

Additional practice and less rag-chewing was the remedy prescribed for the locals about ten days ago, and on this specific they seem to have flourished, as they showed a great amount of improvement—and what's more the boys say that they are going to increase the dose.

EX-SOLDIERS ATTENTION

Red Cloud Post No. 238, American Legion, extends a cordial invitation to all the ex-soldiers and sailors of the community to join them and attend the Memorial services on next Sunday morning at 11 o'clock at the Besse auditorium, and also to turn out on Monday afternoon at 1:30 and march with the G. A. R. to the cemetery.

As Memorial Sunday and Decoration Day comes but once a year you should show your respect for the boys who lost their lives during the late war and also in honor of the G. A. R. Wear your uniform, if possible, on both occasions.

DR. R. S. MITCHELL, Commander
A. B. McARTHUR, Adjutant
Red Cloud Post No. 238.

The American Legion will meet Friday evening at 8 o'clock in the I. O. O. F. hall and all the members are urged to attend.

"NOT IN THE COMBINE"

We want to tip our hat to those boys behind the Red Cloud oil project. They are a game bunch of sports. Nothing seems to deter their ardor for putting that Red Cloud well down to the 3500 foot level. They have met with reverse after reverse but they fight gamely on and we are hoping and trusting that their efforts will be crowned with reward in abundance. Such game fellows ought win or there isn't such a thing of due reward to the faithful.—Blue Hill Leader
