Auditorium Assn. Elect Officers and Directors

A meeting of the stockholders of the Besse Auditorium Association was held Tuesday afternoon at two o'clock.

The principal business transacted was the election of officers and board of directors for the ensuing year, which are as follows:

OFFICERS

Dr. Robt. Damerell, President
H. R. Fausch, Secretary
Henry Gilham, Treasurer

DIRECTORS

Dr. Robt. Damerell, Charles Besse, F. G. Turare, Bernard McNeny, H. R. Fausch, Henry Gilham, C. G. Starke
Another meeting of the directors will be held in the assembly room of Auditorium, Thursday, June 17.

Lively Ten Inning Game

Sunday afternoon a large crowd of enthusiastic base ball fans assembled at the Starke ball park to witness the game between Red Cloud and Grand Island American Legion team.

Herzog was on the mound for the home boys and pitched a good game. Ten innings were played. In the ninth inning Grand Island tied the score, two and two, and in the tenth inning they run in four scores, due to a few errors on the part of the locals—result 6 to 2 in favor of the visitors.

The coming Sunday afternoon they will meet the Mt. Clare team, and as that team holds a record for fast playing, and a couple of new men being added to the local line-up a very interesting game is promised.

Death Follows Brief Illness

The many friends of Robt. L. Avery, formerly of this city, were deeply grieved when they learned of his sudden death which occurred at his home in Lincoln last Friday afternoon. He had complained of being ill on Wednesday, but the following day again resumed his duties at his office and on Friday went to Denton to look after his business interests in that town. He became ill again that afternoon and was removed to his home in Lincoln, where later he passed away.

He was associated with C. W. Malone in the lumber business in this city from 1914 to 1916, and during the time he resided here he won for himself many friends in both business and social circles.

He was about 46 years of age at the time of his death. His wife and one son are left to mourn the loss of a devoted husband and kind father. Funeral services were conducted on Tuesday at Edgar, where interment was made.

Killed in Auto Accident

A fatal automobile accident occurred near Bartley Monday evening which resulted in the death of one member of the party and the serious injury to several others.

Mr. and Mrs. Ross Brooks and children, who reside in Catherton precinct, had driven in a car to the vicinity of McCook, Sunday, where they met the former's sister, Mrs. Rolland Milligan (nee Mabel Brooks) and on Monday drove to the Milligan home, near Orleans. About midnight of that day they ran off a bridge near Bartley. Mrs. Milligan was killed and the other members of the party, including the children, severely injured. They were taken to a hospital at Cambridge.

The remains of Mrs. Milligan were taken to Inavale where funeral services were conducted.

BOARD OF EQUALIZATION

Notice is hereby given that the Webster County Board of Equalization will be in session at the Court House in Red Cloud on June 15th-16th and 17th, 1920. Persons having any complaints regarding their assessments are advised that this is the proper time to present the same before this Board.

The Annual Exhibit for the rural schools took place the 30th of April in the examination room of the Court House. The exhibit was very good but the work was so varied that it was hard to group. Next year we will try to follow the outline put out for the State Fair so that we can use our material for the Farmers' Institute, the Bladen County Fair, the State Fair and the Annual County Exhibit. This is part of the new law and the law books were not out soon enough to allow an appropriation to be made for premiums. This is one of the things the school boards should attend to so that next year we can offer some nice prizes that will cause competition and will arouse the students to make their best better. This year the prizes are not as nice as I wish they were but the honor is just as great as if it were not the major part of the reward.

The business men of this city have decided not to hold a Fourth of July celebration this year and the citizens can now plan to go elsewhere.
