Broke Even Last Sunday

A double-header ball game on the local athletic field, last Sunday, drew a large crowd, the majority of whom staid for the finish despite the threatened rain.

Inavale was the first team to play which resulted in a score of 12 to 6 in favor of the home boys. Leonard and Palmer were the battery for Inavale while Herzog and Hardin presided for Red Cloud.

Cora, Kansas struggled for the honors—and took them—in the second game the score being 8 to 2. Their battery was Schrader and Palmer, Martin pitching for the locals and Hardin behind the bat.

Alf Nolan rendered fair decisions in both games while Amos Miskch "umped" the fouls and bases.

The principal draw back in the game with Cora was that the home boys did not seem to be able to make the bat connect with the ball at the critical time, but this may possibly have been due to the fact that two games in one afternoon overtaxed the pep of the locals.

The management states that they will redeem themselves on July 4th and 5th when they will "take on" Superior. Sunday's game will be played here, while on the following day they will meet Superior on their home grounds.

Another pitcher has been "signed up" on the local team, and if he delivers the goods that they claim he can, possibly we will see a couple of good games. Regardless—we are willing to try anything once.

Orpheum Theater Closed

It is reported that G. L. Atkins, lessee of the Besse Auditorium, now being operated as a motion picture theater, has purchased an option on the Orpheum from R. M. Stuntebeck, who recently purchased this theater from George Warren. Mr. Stuntebeck stated, when here last Sunday, that one object of his visit here was to make a deal for the sale of the Orpheum, and as the Orpheum has been closed we are under the impression that the deal is under way, if not completed.

Three Couples Married

Zeiss-Miller

Announcements have been received, in this city, of the marriage of Miss Violet Zeiss and Walter H. Miller of Lincoln, the same taking place at Omaha last Saturday.

The bride is a daughter of Mr. and Mrs. Chas. Zeiss of this city and was born and reared in our midst. She is a graduate of the Red Cloud High school, since which time she has given her time to teaching and clerical work. She has many friends in this vicinity who will wish her a prosperous and happy wedded life.

They will be at home to their friends in Lincoln after October first.

Stroup-Crow

On Sunday evening, the home of J. L. Beebe was the scene of a wedding ceremony in which Miss Lucile Stroup and Clark Crow were made husband and wife. The attendants were Mr. and Mrs. Frank McIntosh.

The bride is the only daughter of Mr. and Mrs. Harry Stroup, being born and reared in this city. For some time past she was employed in the dry goods department of the Turnure & Son store.

The man of her choice is a son of Mr. and Mrs. Joe Crow of Republican City, until recently residents of Webster county.

Immediately following the ceremony they departed for Republican City where the groom is associated with his father in farming and stock raising.

Clauson-Hoxsey

A message to relatives in this city Monday conveyed the glad tidings of the marriage of Miss Georgia Clauson and J. D. Hoxsey, both of this city, it being a complete surprise to their many friends.

The bride is the daughter of Mr. and Mrs. George Clauson, pioneer residents of Red Cloud. She has held a clerical position in the office of the local depot for some time past. Mr. Hoxsey is likewise one of Red Cloud's popular and energetic young men and is one of the efficient operators in the local depot.

They left Hastings for Denver, Monday, later visiting points in Idaho and on the Pacific coast. Upon their return from their honeymoon they will be at home to their many friends in the Platt addition of this city.

Mrs. Mary Barkley, one of the pioneer citizens of this county, passed away at a hospital in Hastings Monday morning. She was about 85 years of age. She is survived by two sons, John of this city and James of Minden, and one daughter, Mrs. Bert Miller of Red Cloud.

Funeral services were conducted from the Christian church at 3:30 Tuesday afternoon, Rev. Beebe in charge.

Death came, Saturday, to relieve the sufferings of E. K. Davis, who was injured on June 16th by a hay stacker falling upon him. His passing is more keenly felt by all who know him, owing to the fact that he leaves four small children, the oldest being but ten years of age. They are not only deprived of a fathers love and protection, but they must also forego the joys of a mothers constant and loving care, as she is, and has for several years been confined in a hospital in Kansas.

The deceased was born in Smith county, Kansas, January 12, 1879. Several years ago he was united in marriage to Harriette Hooper, this union being blessed with four children, two boys and two girls. His widow, four children, father and mother, three sisters, and four brothers survive him.

Funeral services were conducted from the Mt. Hope church Monday morning, Rev. Beebe in charge. Interment was made in the Mt. Hope cemetery.

Thursday the "Unlucky" Day. In Scandinavia Thursday is considered the unlucky day of the week, instead of Friday, as in most other lands.

Music Must Be Wooded—Not Gouged

—and we know that this matter may be safely left to the verdict of your ears—once you hear PATHE.

It is a question, indeed, if the now famous Pathe Freres had made known the secret of the sapphire when other less careful men were rushing the manufacture of talking machines, there would never have been a steel needle machine offered to the public.

What is the absolute, irrefutable proof of Pathe success? The fact that the Pathe plant at Brooklyn, N. Y., had to multiply its manufacturing facilities sixteen times in three years.

After all, the real enjoyment of music cannot exist where there is constant fear; the fear of damaging the records and the endless distraction of changing the needles.

"Don't use the needle more than once"

"Don't scratch the record with the needle"

"Don't start machine until needle is in place"

—and the hundred other don'ts have made a labor out of listening to what mighty soon ceases to be music when it has been needle-scratched a few times.

PATHE
'THE PHONOGRAPH'

needs neither needles to buy nor to change. The PATHE SAPPHIRE never scratches or wears out itself or the records, which are guaranteed to play a thousand times—the result always being perfect music.
