**McGuire-Jernberg**

The Albert McGuire home on Walnut Creek was the scene of a wedding, Friday evening at eight o'clock, when his sister, Miss Rose McGuire became the bride of Carl F. Jernberg. Rev. J. M. Bates performed the ceremony. Immediate relatives of the bridal party and Mr. and Mrs. Oliver Powell and Miss Lucile Robinson were present.

Both these young people are well known in this vicinity, having practically spent all of their lives in our midst, during which time they have made a large circle of friends who will wish them a long, happy, prosperous wedded life.

They will be at home to their many friends in Akron, Colorado, Mr. Jernberg holding a position there with the Burlington Railroad.

**To Secure State Poultry Show**

The Chamber of Commerce held a meeting Tuesday evening at which time they passed a resolution to be sent to the Nebraska State Railway Commission at Lincoln protesting against the freight rates and passenger fare increase which will be made by the U. S. Railway Board.

County Agent Fausch was present and asked the Club to take under consideration the matter of securing the Nebraska State Poultry Show which will be held in January. Mr. Fausch was appointed chairman of a committee and will write and offer the association a bid for the securing of the show for this city. Mr. Fausch stated that an officer of the association was here recently, and he stated that the sale pavilion would make an ideal place for the show as it was large enough to serve the purpose. The poultry fanciers and those who are interested in a bigger and better Red Cloud should get busy and cooperate with Mr. Fausch in securing the show for this city, as it will give the people of southern Nebraska a chance to see the best breeds of poultry in this state.

**James A. Burden Called**

James A. Burden, who for a number of years has conducted a mercantile establishment in this city, and one of our elderly and highly respected citizens passed to his eternal reward on Monday morning, after an extended illness. While in poor health for some time past Mr. Burden continued to attend to his duties at the store, until the first of last week when he was confined to his home.

Although denied the use of his lower limbs—being compelled to go about in a wheel chair, he bore a smile and a kind, pleasant word for every one, which in itself should be an example for those better fitted for life's battles. He will indeed be greatly missed by every one in the community.

The deceased was born in Plymouth, Indiana, August 31, 1858. He with his parents came to this county in 1877, making their home near Bladen. He was united in marriage to Anna E. Lockhart, Oct. 28, 1885. He acted as assistant postmaster in the Bladen office during Cleveland's administration and when President Harrison took the chair he was made postmaster at Bladen. In 1896 he was elected Clerk of the District Court of Webster county and was re-elected in 1900. Upon retiring from this office he engaged in the mercantile business here. For a number of years he efficiently presided as Justice of the Peace.

He leaves to mourn his demise a wife, two sons, Darrel and Bernard of this city and one daughter, Mrs. Flossie Hillingsworth of Long Beach, California. Also three brothers, John of Kansas City, William of Campbell and Frank of Arapahoe.

Funeral services were conducted Tuesday afternoon, at three o'clock, during which time the business houses closed in respect to the deceased.

FOR SALE—Three 1917 model Ford touring cars, one 1917 Ford roadster, guaranteed in No. 1 condition, priced \$300 and \$350. Also new Ford sedan, coupe and truck. Hurry if you want them. FRAME & SMITH BROS. CO.

Motion made and carried that Elias Goble be appointed janitor of the Lincoln school building at a salary of \$80 per month for the school year of nine months.

On motion, J. H. Kellogg was elected teacher of agriculture, manual training and athletics at a salary of \$1200 per year.

**FARM BUREAU TOUR**

Plans are being laid for a tour that is different from the tours held in the past. Two farms will be visited and the Live Stock inspected. In addition to the inspection of stock, we have secured Prof. Howard Gramlich, Head of the Animal Husbandry Department, University of Lincoln, Nebraska, two very able speakers, who will give judging demonstrations and talks.

Tuesday, August 17, is the date and we will meet at the farm of Clarence Johnston at 1:30 p. m. This farm is 1 1/2 miles south and 1 1/2 miles west of Guide Rock, or 8 miles east of the Red Cloud river bridge on the south side of the river. Those coming from a distance, will find plenty of shade to eat their dinner at Mr. Johnston's.

Mr. Johnston and his partner, J. W. Auld, are establishing one of the best herds of Scotch Shorthorn Cattle in the state. Their cattle will be inspected. Prof. Gramlich will give a judging demonstration and a talk on beef cattle. Mr. Johnston is Webster county's largest Pure Bred Breeder of Bureau herds. These will be on exhibition, and other things of interest will be, individual hoghouses, sweet clover pasture, silos, etc.

2nd Stop, Starke's Holstein farm, 3:30 p. m. Their farm is 1 mile north and 6 miles west of Guide Rock or 4 miles east of Red Cloud. Starke's Holstein farm is owned by Chris and Wm. Starke. Wm. Roberts is their herdsman. They have established the greatest herd of Holstein cattle in Nebraska.

Starke's own Tulip Pietertje Konigan 2d, the champion cow of Nebraska. This cow holds the record on milk and butter. No cow has ever held a record on both milk and butter. In establishing this record, this cow supercedes the Holstein cow La May, owned by the University of Nebraska, whose record is 26,602 lbs. of milk, and the Jersey cow Mermaids Fancy Wax, owned by H. C. Young of Lincoln, whose record was 1,155.74 lb. of butter in one year.

The product of Mr. Starke's cow when placed on the market sold for \$1100.00. Besides being a great producer, Konigan is a splendid individual. She was Grand champion cow at the New York State Fair in 1912.

Pietertje Homestead Grassy 2d, the 4 year old cow purchased by Starke's from E. A. Schroeder for \$5000.00, will be on exhibition.

Mr. M. N. Lawritson will give a judging demonstration and a talk on the Dairy industry.

This will be a real treat to inspect these two great herds and hear Mr. Gramlich and Mr. Lawritson.
