

SALVATION ARMY NEWS

Omaha, July 28.  
 "Aid for the poor, the unfortunate, and the derelict of Nebraska's most isolated sections as well as for urban communities is assured with the completion of County Advisory Board organizations," says Earl C. Jeffrey, Chief Divisional Program Director, who has headquarters in Des Moines.  
 The formation of Advisory Boards in every county in the state, made up of influential citizens, such as compose the Webster county Advisory Board, of which, E. S. Garber is Chairman, gives assurance that men and women who know actual conditions and individual needs in each community will make suggestions to Salvation Army officers, looking to the improvement of conditions and the relief of individuals.  
 "As these suggestions will be acted upon immediately by a Special Officer from Divisional headquarters, if there is no resident officer, this announcement means that there is now a sympathetic connection between the individuals of this and every other county in the state, with the several institutions, service bureaus, and departments devoted to the sixteen major activities of the Army," says Mr. Jeffrey.

Each Board in the state is making a study in its county of poverty, unemployment, juvenile delinquency, missing persons, illegitimacy, maternity hospitals, prison work, pauperism, Americanization, Childrens Homes and work among returning soldiers and sailors. The Salvation Army is prepared to offer a specific remedy, alleviation, or advice in cases arising from those problems:  
 Members of the Advisory Board in Webster county are: E. S. Garber, Ed Amack, E. G. Caldwell, Chas. Platt, W. B. Smith, A. B. McArthur, Howard Fox, F. J. Munday, Fred Turnure.

PEACE KEYNOTE OF COX SPEECH OF ACCEPTANCE

Democratic Candidate Would Enter League, Immediately Ratify Treaty and State Interpretation of Covenant.

SAYS "BACK TO THE NORMAL" MEANS REACTION

Failure to Enforce Prohibition is Worse Than Law's Violation—Declares Present Congress Has Not Passed a Single Constructive Law, but Has Spent Time and Millions in Seeking to Make America's Military Triumph an Odious Chapter in History—Favors Repeal of War Taxes, Criminal Prosecution of Profiteers, More Adequate Supervision of Railroads, a National Budget System, and Woman Suffrage.

Here is a summary of the speech of Governor James M. Cox, Democratic candidate for president, at the notification ceremonies at Dayton:

League of Nations.—Would enter the league, immediately ratify the treaty and state our interpretation of the covenant in reservations as a matter of good faith and as a matter of precaution against any misunderstanding in the future. The interpretation to clearly show that the league is not an alliance and that its basic purpose is peace and not controversy.

Domestic Problems.—Would repeal war taxes; reduce federal taxation; suggests, in place of excess profits tax, substitution of volume of business tax.

Profiteering.—Promises penalization under the criminal law.

Labor.—Stimulate Americanization. Writ of injunction should not be abused. No necessity now for the drastic laws of war days; guarantee of free speech; recognition of the rights of the principle of collective bargaining. Child life of the nation should be conserved.

Agriculture.—Federal government should sponsor agriculture and food production. Farmer should be amply compensated for his work. Favors municipal markets. Regulation of cold storage. Would increase area of tillable land.

National Prosperity.—Objective should be decreased tenantry and stimulation of home ownership.

Food Supply.—More adequate supervision of railroads; utilization of waterways.

Financial and Commercial.—Extols federal reserve act and merchant marine. Would extend facilities for exchange and credit and stimulate foreign trade.

National Budget.—Favors a national budget system. Would reduce armament expenditures on entering league of nations.

Republican Ungenerosity.—Republicans failed to recognize that America had saved the world or to appreciate the struggles and sacrifices of those who, in arms or industry, helped win the war. Present Congress has not passed a single constructive law, but spent time and millions in seeking to make military triumph an odious chapter in history.

Mexican Situation.—We have neither lust for their domain nor disposition to disturb their rights.

Disabled Soldiers.—Pledges immediate efforts to provide vocational training and favors employment of disabled soldiers of World War by Federal Board to supervise the rehabilitation of disabled soldiers.

Prohibition.—"Any candidate for the presidency who says he does not intend to enforce the law is more unworthy than the law violator."

Woman Suffrage.—Strongly favored.

Official Responsibility.—Opposed to "government by party;" pledges service to the people as a whole.

Education.—Federal government should not encroach on local control, but rather should create an enlarged public interest.

Campaign Contributions.—No narrow dividing line between the legitimate and the illegitimate, underlying purpose only determining.

Industrial Peace.—We want a change from the world of yesterday, from the old industrial world. We are at the "forks of the road." So-called "return to the normal" means "reactionism."

SEEING IS BELIEVING

I have just returned from an inspection trip of northwestern Kansas, driving by auto to Decatur, Rawlins, Cheyenne, Sherman, Wallace, Greeley, Wichita, Logan, Sheridan, Thomas and Norton Counties, stopping at many places and driving the country around the town.

I have found some real bargains in wheat and stock farms, wheat going from 20 to 40 bushels the acre, land ranging in price from \$12 per acre, up, with easy terms and small payment down. The average renter in this county can handle a half section of this land.

If you are interested see me at once and make arrangements to go and look this land over, for land values are advancing and the bargains I now have may soon be gone.

Not Merely a New Name  
 But a New Cigarette

THERE was room at the top for a new and better cigarette. And Spurs were made to fit in right there! Spur's decidedly new blend makes the Orient's choicest tobaccos and America's finest tobaccos yield more richness, aroma and mildness than you thought a cigarette could have. A new method of rolling (crimped, not pasted) makes Spur's good tobacco taste last longer. Spur is "class" all through—even to the smart "brown-and-silver" package, triple-wrapping, that keeps Spurs fresh and fragrant. If you're fed up with ordinary cigarettes, Spurs will give you a fresh start.
