### Buy Interest in State Bank

This week marked the consummation of a business deal of considerable importance to the parties interested as well as to the community, when J. W. Auld sold an interest in the State Bank of Red Cloud to D. C. Henderson and J. W. Scott.

Mr. Auld informs us that he will continue to hold a controlling interest in this financial institution but will not continue in active charge of it. His reasons, as stated, are that his other affairs demand so much of his time that he could not give the bank the attention that its business warrants.

Mr. Scott is a Smith County, Kansas man and until recently was a State Bank examiner. Previous to that time he had been actively connected with the First National Bank of Gaylord and the Farmers National Bank of Osbourne.

Mr. Scott comes to us from Kensington, Kansas, at which place he has been connected with one of the leading banks. He has rented the Rosenkrans property and will move his family here as soon as necessary arrangements can be made.

It is indeed a pleasure to note that Mr. Auld will continue to make Red Cloud his home, as men of his genial nature and exceptional business ability are a valuable asset to the community. During the many years he has been in business here he has, by his strict attention to business and manifestation of courtesy and kindness toward his fellowmen, not only won for himself a liberal share of success and wealth, but has also proven himself to be a liberal booster and liberal contributor toward every cause that would build up the town and community.

It is needless to say that this banking institution will continue to thrive under the new active management of Messrs Henderson and Scott as their broad experience in this line of business enables them to maintain the high standard that the State Bank has attained. They will be welcomed to our city by the business men and citizens in general.

### Cowden-White

One of the principal events of Red Cloud's social circles was the marriage of Miss Allison Cowden and Mr. Byron White of Hershaw, Wisconsin. The ceremony was performed at the home of the bride's parents, Mr. and Mrs. F. W. Cowden, at 3:30 Wednesday evening. Rev. J. M. Bates, pastor of the Grace Episcopal church officiating. Miss Rachel Cowden, sister of the bride, was the bride's maid and Mr. Calvin Mann, cousin of the groom, best man. Little Miss Josephine Letson was the flower girl. Mrs. H. C. Gellatly sang "Oh! Promise Me," accompanied by Miss Elizabeth Overman, at the piano. Miss Overman also rendered several other selections.

Following the ceremony an informal reception was held, after which the bridal couple departed on the early morning train for St. Joseph, Mo., later going to Chicago, where they will visit the groom's parents, before going to their home at Hershaw, Wisconsin.

### Leggett-Thompson

Miss Grace Leggett and Mr. Earl Thomson of Esbon, Kansas, were united in marriage at Mankato, Kansas, Wednesday morning. The witnesses to the ceremony were Mr. and Mrs. Floyd Lewis, the latter being a sister of the groom.

The bride is the youngest daughter of Mr. and Mrs. R. B. Leggett of this city. She was born and reared in this city and has a host of friends who wish her unlimited happiness and prosperity in her wedded life.

The man of her choice is one of the prosperous young farmers of our sister state to the south and is held in high esteem among his many friends. Mr. and Mrs. Thomson will reside on a farm near Esbon, Kansas.

Mrs. P. H. Boner returned home Tuesday morning from Norton, Kansas, where she spent a few days with relatives.

### C. M. SHERWOOD ELECTED MEMBER STATE COMMITTEE

The second annual state convention of the American Legion was held at Hastings, Thursday, Friday and Saturday of last week. There were over 500 delegates from the different posts throughout the state present.

The convention was called to order by State Commander, Earl M. Cline of Nebraska City after which the invocation was given by Chaplain H. C. Capsey. Then Mayor Stiner, of Hastings, delivered the address of welcome.

Allan A. Turkey of Omaha, National Vice Commander was present and delivered an address which was received with enthusiasm. After the the different committees were appointed the convention adjourned for the day to attend the ball game, dances and picture shows in the evening.

Friday morning National Commander D'Olier was present and given a great ovation from the beginning to the close of his address, in which he brought forth the facts that the American Legion is the only organization known in which all the elements in the country are represented: that everyone must realize that the ex-service men will run this country; run it not because they are service men but because they were physically, morally and mentally fit. Its object is to keep alive the spirit of service that animated the army, navy and marines; to give to citizenship the same unselfish service.

A representative of the War Risk Insurance was present and fully explained the terms of the insurance to his audience.

In the afternoon Gov. McKelvie and Mrs. Dietrich addressed the convention after which the state executive committee and delegates were elected to attend the National Convention at Cleveland, Ohio, next month. C. M. Sherwood of this city and Dr. Crissman of Hastings were elected members of the State Executive Committee from the fifth district. It was also decided to hold the State Convention at Fremont, next year.

In the evening an athletic carnival was held at which time Joe and Anton Stecker put on an exhibition wrestling match, and also another was given by two light weights. This was followed by the famous base ball story of W. W. Hughes of David City. There was an abundance of music furnished by the 20th Infantry band of Ft. Crook and the Hastings band.

Saturday morning the different committees made their reports. H. S. Foe of this city served on the constitutional and by-law amendment committee.

Following this resolutions were passed recommending compulsory military training. The convention also endorsed the bonus legislation now before congress, also that more government land be made available for the returned soldiers. It also favored the boxing bill, the same to be patterned after the recommendation of the army and navy boxing commission. This would permit ten round boxing bouts under state regulation. Another of its resolutions favored more drastic legislation for dealing with draft evaders.

Election of officers was then held and Robert Simmons, of Scottsbluff, was elected state commander after which the other state officers were elected.

Ed McDermott on behalf of the delegates presented Past Commander Earl Cline, with a handsome gold watch in honor of the excellent and untiring service that he had rendered the past year.

### Mary Pickford Here Next Week

Monday and Tuesday we see Mary Pickford at the Besse Auditorium. Wednesday and Thursday, Wallace Reid, Friday and Saturday, Big Bill Hart.

Call, write or phone us free tickets of admittance. They'll be issued in order of application

*No children under 16 years will be admitted unless accompanied by parents*

**E. H. NEWHOUSE**

## The Actuelle

*Greater than the Phonograph*  
**Different in construction  
Superior in tone  
Actual in reproduction**

THE ACTUELLE—a Pathe Freres invention—marks the first really radical advance in the science of sound reproduction since sound recording was invented. The result achieved is a natural purity of tone which would have been beyond belief less than twelve months ago. Now comes the real revolutionary advance—and again it is the Pathe organization that has won out—with the Actuelle.

### Exit Sound Box, Tone Arm, Horn

The problem of the phonograph maker is to take out of the way of the tone opticals which affect the reproduction in a lesser way. The tone box, the tone arm, the tone chamber and horn are in the way. The ACTUELLE discards all the obstacles. A taunt wire carries the tone direct from the record to a parchment cone which amplifies and reproduces the tone in its natural, vivid vigor, with a full fidelity that no phonograph could ever equal.

Come in and hear this wonderful instrument play your favorite records. We will be pleased to have you call.
