## THE WALLIS

### AMERICA'S FOREMOST TRACTOR

**Farm Power in Simplest Form**—A simple, dependable machine requiring least repair and adjustment is the most economical and easiest to handle—thus it is the one that is becoming the leader in the tractor field.

The Wallis is 12 years old and has stood the test of time. It has been tried on thousands of farms all over the world. It is sold by a company established half a century—known for its integrity and square business dealings.

When considering the cost of a tractor don't overlook these important points—FUEL, LUBRICATION, UPKEEP, SPEED, WEIGHT, DURABILITY, POWER, ASSESSIBILITY and SIMPLICITY. The principal element is the life of the tractor, plus the upkeep during its life.

### Grant G. Martin

Was High Man at April Primary  
Endorsed by over 71,000 Voters

He Believes in Expediting the Business of the Court

The Nebraska Farm Journal, on the subject "Modernize the Courts" editorially endorses Mr. Martin's stand on judicial reforms.

The Topeka Chief says: "Judge Martin was elected Attorney General at the time Chester H. Aldrich was named as Governor, and he filled the position with credit to his constituency and to himself. \*\*\* Ample qualified for the place, gentleman of high ideals and great worth, are the considerations for the voters in Judge Martin's candidacy for Chief Justice."

The names of candidates for this office will appear on a separate ballot without party designation.

Vote for RE-ELECTION of

CHIEF JUSTICE

### Andrew M. Morrissey

"The political parties have made no nominations for Chief Justice. The Chief Justice is not elected as a party candidate, but his name will be found with other Judicial Candidates, and school officers on a separate ballot."

"We favor the re-election of Chief Justice Morrissey because we believe in the law designed to take the courts out of politics and to elect Judges because of their qualifications. Six years ago when he became Chief Justice the court was about three years behind. Today the court is as nearly up with its work as it is practicable for a supreme court to be. Credit for this is not wholly due to the Chief Justice, but other members of the court who have contributed to this result give full credit to Chief Justice Morrissey for his share in its accomplishment."

"He has executive ability that gets results. He enjoys the friendship and co-operation of his associates. He has the respect and confidence of the lawyers who have business in the Supreme Court. He has helped to clear away many technicalities of the law. Law-breakers have been brought to justice and honest men enjoy the protection of the courts. If you are in doubt about how to vote on Chief Justice, ask your District Judge."—Lincoln Tribune.

To The Voters of the 10th Judicial District:

As my court work will prevent me from making a personal campaign I take this means of informing you of my desire for a second term as one of the District Judges of this District.

I have served as a Judge for one year now and have showed what kind of a Judge I am. My election to a second term will be no experiment. You know what kind of a Judge you will get. I believe my work entitles me to a second term. In addition to this I am the only candidate from the west end of the District.

I take great pride in being in a position to help enforce the laws that my father, C. J. Dilworth, by four years hard work as district attorney, in a district that extended from the Missouri river to the Colorado state line, helped to establish and maintain a home.

I have lived in Nebraska since 1870 and I have the utmost pleasure in the fact that those who have known me longest and best are, without a single exception, for me in this contest. Also, that my home people endorsed me strong in the primaries, Phelps county giving me a majority, and that too, after an active canvas by my competitors and none by myself. I have but one ambition, and that is to be elected as one of the Judges of this district, and so wind up my active life, and to conduct such office that I, my friends and my children can have pride in my official career.

I desire this office as an endorsement and will appreciate your vote at the coming election. A straight party vote will not count in electing the judiciary. You should mark on the ballot prepared for judiciary candidates, your selection. You will find my name there.

Respectfully,  
WILLIAM A. DILWORTH,  
Holdrege, Neb.

To The Voters of Webster County:

I am a candidate for County Judge on the Non-Partisan Judiciary Ticket. I have always been affiliated with the Republican party. My opponent, Mr. Ranney, has always been a Democrat. Judge Ranney has always voted for, contributed to and fought for Democratic candidates. He has served thirteen years as an official for Webster county. Two terms as County Attorney, and four terms and an extra year as County Judge, is surely all that even a Democrat is entitled to in a Republican county.

I graduated from the Nebraska University, College of Law in 1911. Have practiced law in all its branches, including Probate Matters, for nine years and am thoroughly qualified and competent to fill this office.

As a candidate for County Judge I will appreciate your support. I solicit your vote.

**B. W. STEWART.**

### John M. Matzen Candidate to Succeed Himself

State Superintendent of Public Instruction

The names of candidates for this office will appear on a separate ballot without party designation.

To the Voters of Neb. asks:

I know you are interested in the schools, the ripest flower of civilization and the greatest cooperative enterprise of our democracy and for equal opportunity.

I was appointed State Superintendent last January to fill a vacancy, and wish to refer you to my record during the ten months I have served. I believe my experience, training, and knowledge of the work of the office, enable me to render the schools of the state a valuable service. Therefore, I should like to be elected that I might have this opportunity.

I have resided in the state 36 years, have had 24 years experience as teacher, principal and superintendent, and was superintendent of the Dodge county schools 14 years. I hold a college degree, a Nebraska professional life certificate and a city superintendent's professional life certificate.

It shall be my earnest endeavor to conduct the affairs of the office in an efficient, economical, businesslike manner; to serve all school interests with justice and fairness; and promote an upward and forward looking program of education.

**YOUR SUPPORT WILL BE APPRECIATED**
