Observe Armistice Day

Today is Armistice Day and everything is set and ready for the big celebration this afternoon. The big dance floor has been laid and polished and a nine piece orchestra secured to furnish the music.

A canvas of the homes just completed found everyone ready to contribute their quota of eats for the day and the chow will be free to all.

One of the big features on the program is a football game in which Red Cloud will meet Ainsley and there will be no disputes in this game as a referee from Lincoln will preside.

Another feature worthy of mention is that the exservice men will be all dolled up in their uniforms and will stand retreat at the flag pole on Webster street, just before going to the football game.

Manager Atkins of the Auditorium has secured a special attraction for the evening show and everyone should attend as the proceeds of this show will go to the American Legion Post.

In all its going to be a big day and you should be there to get your share of the joy. Come and bring your friends.

Dispute Over Foot Ball Game

Last Friday afternoon the McCook and Red Cloud High School foot ball teams met on the Hedge field to contest for the honors of the game.

The first five minutes play the Red Cloud boys, after several line plunges and a forward pass made a touchdown and kicked goal. Red Cloud kicked off to McCook and the latter made a few gains, after which McCook pulled off an illegal play, the ball was taken back and they were given another down.

They then made a forward pass and brought the ball to Red Cloud's three yard line, where the referee ordered one of the Red Cloud players out of the game for rough playing. After spending an hour chewing the rag the Red Cloud players lined up to play without the foresaid player and the referee blew his whistle, but the McCook team refused to play. Thus they forfeited the game.

In the estimation of many the McCook team did not play any cleaner game than the local boys and some of those from out of town, who were in attendance, who saw the McCook team play at Oberlin, Kansas, a few weeks ago claim that they attempted to pull off the same dirty tactics there that they did here.

Those who paid to see this game can see the game today by calling at the Powell & Pope Cafe, where a free ticket will be given them.

The Ainsley team which has not been defeated this year will meet the Red Cloud boys on the local gridiron this afternoon and it is to be hoped that there will be a large crowd present. A referee from Lincoln has been secured to officiate at this game.

COUNTY SCHOOL NOTES (By Superintendent)

(A Few Words On Consolidation) By Prof. O. W. Neal of Stevens Point, Wis.

The following is a statement of the status of rural education in the nation based upon the most reliable obtainable sources of information:

1. The average annual school term of the rural school is 137 days. On the average 46 days less than the city schools.

2. 58 per cent of the total school population is rural.

3. 80 per cent of the rural schools are one teacher schools with from seven to eight grades, with from 25 to 35 recitations per day. The average recitation being ten minutes, while in the city the recitations are from twenty to forty minutes.

4. About two-thirds of the teachers of the rural school teach but one year in the same school.

5. 95 per cent of country boys and girls never see the inside of any other but the rural school. This then should be made the best.

6. Forty states have county supervision by county superintendents—82 per cent of whom have no assistance of any kind in supervision. The average of school buildings under their supervision is eighty four. The average number of teachers is one hundred.

Farm Bureau Notes

CALF CLUB

Webster County's Second Calf Club came to a close during Farmers' Institute. Last year Webster county had the first and only Calf Club in the state. This year they had the largest Calf Club in the state.

Last May the calves were purchased and distributed among 55 Webster county boys and girls. The calves were thin in flesh and came back in good condition.

The 31 head of Herefords weighed an average of 405 lbs., last May, and when brought back they weighed an average of 760 lbs., making an average gain of 355 in 170 days, an average daily gain of better than 2 lbs.

They cost on an average of \$230.00, and sold for a \$345.00 average. Col. Ed Snell of Cambridge cried the sale. They were divided in 3 show-groups last May and showed in the same groups this fall, in which they went out. There were five cash prizes offered in each group as follows: 1st, \$12.00, 2nd, \$10.00, 3rd, \$8.00, 4th, \$6.00, 5th, \$4.00. Henry Mousel, Cambridge, and M. B. Posson, Lincoln, Judges.

The winners in each group are: Group I—1st, Robert Crowell, 2nd, Harold Rudd, 3rd, Geneva Harvey, 4th, Coellia Nolan, 5th, R. Pitney. Group II—1st, Rachel Bean, 2nd, Clarence Crowell, 3rd, R. Pitney, 4th, Cecil Means, 5th, Richard Larrick. Group III—1st, Geo. Mountford, 2nd, Olmton Bodley, 3rd, Harold Rudd, 4th, Oscar Ramey, 5th, Oscar Lea.

Grand Champion Heifer—Rachel Bean.

Largest Gain—Clarence Crowell 545 lbs.

Second Largest Gain—Robert Crowell, 490 lbs.

This is an average gain of 3 lbs. per day.

The 32 Shorthorn heifers weighed last May, an average of 475 lbs., and this fall an average of 790 lbs., making an average gain of 315 per head in 170 days, an average daily gain of 1 3/4 lbs. They cost an average of \$265.00 and sold for an average of \$335.00. Col. H. S. Duncan of Omaha, cried the sale.

They were divided into three show-groups. There were five cash premiums: 1st, \$10.00, 2nd, \$8.00, 3rd, \$6.00, 4th, \$4.00, and 5th, \$2.00. They were judged by Ashton C. Shallenberger of Alma.

The winners in each group are: Group I—1st, Edwin Schneider, 2nd, Alfred Fringer, 3rd, Amelia Steward, 4th, Everett Johnston, 5th, Art Blobaum. Group II—1st, Clayton Ailes, 2nd, Chas. Schreiber, 3rd, Walter Vance, 5th, Curtis Steward, 5th, Albert Vance. Group III—1st, John Luhn, 2nd, John Hammer, 3rd, Geo. Greenhalgh, 4th, Earl Portenier, 5th, Spencer Vance.

Grand Champion Heifer—Erwin Schneider.

Largest Gain—Henrietta Steward, 430 lbs.

Second Largest Gain—John Hammer, 425 lbs.

The Calf Club as a whole was a success. The bankers of the county took the boys' notes at 7 per cent.

24 of the Hereford members and 26 of the Shorthorn members kept their calves. Only one of the 64 head left the county.

This means the addition of 63 head of Pure bred females to Webster county's Purebred Live Stock Industry.

HENRY R. FAUSCH, County Agricultural Agent.

Orpheum to Open Again

Messrs. Miller & Tiller have taken over the Orpheum theater and are busy cleaning up this play house preparatory to opening the same Saturday, Nov. 13th. Mr. Miller has for some time managed the Temple theater at McCook while Mr. Tiller has for several years been an employee of the Fox Film Corporation, therefore both these men are very competent to judge the class of pictures that the people like to see. The program for the Orpheum appears on another page of this issue.

Does Your Watch Or Glasses Need Fixing?

We want to do your REPAIRING

The Actuelle

Greater than the Phonograph
Different in construction
Superior in tone
Actual in reproduction

THE ACTUELLE—a Pathe Freres invention—marks the first really radical advance in the science of sound reproduction since sound recording was invented.

The result achieved is a natural purity of tone which would have been beyond belief less than twelve months ago.

Now comes the real revolutionary advance—and again it is the Pathe organization that has won out—with the Actuelle.

Exit Sound Box, Tone Arm, Horn

The problem of the phonograph maker is to take out of the way of the tone obiticals which affect the reproduction in a lesser way. The tone box, the tone arm, the tone chamber and horn are in the way. The ACTUELLE discards all the obstacles. A taut wire carries the tone direct from the record to a parchment cone which amplifies and reproduces the tone in its natural, vivid vigor, with a full fidelity that no phonograph could ever equal.

Come in and hear this wonderful instrument play your favorite records. We will be pleased to have you call.
